ANNEXURES

1. EXECUTIVE SUMMARY OF UNIVERSITY

BML Munjal University (BMU) is a 40-acre fully residential and co-educational Statutory Private University established under the State Legislature by the Government of Haryana and is duly recognized by UGC. The University has been notified under the Haryana State Private Universities Act, 2006 in May 2014. The University campus is located at National Highway-8, 67th KM Milestone, Gurugram, Haryana 122413.

BML Munjal University (BMU) seeks to transform higher education in India by creating a world class and innovative teaching and research environment. Founded by The Hero Group, BML Munjal University (BMU) is a not-for-profit University, offering Doctorate programmes in Management and Engineering; Undergraduate and Postgraduate programmes in Management (MBA & BBA), Undergraduate programme in Commerce (B. Com) and Undergraduate programmes in Engineering (B. Tech).

Named after the Chairman and founder of the Hero Group, Dr. Brijmohan Lall Munjal, BMU is engaged in creating, preserving and imparting internationally benchmarked knowledge and skills to a diverse community of students from across the world.

BML Munjal University (BMU) is mentored by the Imperial College London, a 108-year old institution, currently ranked 9th in the QS World University rankings (2016-2017). The unique learning environment of BML Munjal University nurtures the spirit of enquiry, creativity, problem solving, entrepreneurship and innovation; promotes hands-on and cross-disciplinary learning; inculcates job and life skills. This ensures that BMU students are transformed into well-rounded, industry-ready individuals who are equipped to take on leadership responsibilities, from the day they graduate from the university, enabling smooth transition to the workplace.

2. VISION AND MISSION

VISION

The BML Munjal University seeks to nurture ethical leaders who are skilled, knowledgeable, and have the life skills required for leading their organizations to success.

The University also seeks the advancement and dissemination of practically-oriented knowledge benchmarked with the best global standards.

MISSION

The BML Munjal University aims to be a leading University for the quality and impact of its teaching, research and linkages with major stakeholders. The focus of the University is to find creative solutions to problems through the application of knowledge. The university aims to create a talented community of students and faculty, who excel in teaching, learning and research, in a creative and stimulating environment. The University is in collaboration with several other institutions for the development of science, technology and the arts in the global context.

3. QUALITY POLICY

The BML Munjal University defines quality as the manifestation of discipline. In the organizational context, quality is the measure of organizational discipline in its character, work culture and customer focus. For example, one of the capabilities of an organization is KNOWLEDGE - the collective accumulated wisdom of its people. The productivity, profitability, customer satisfaction or market share can be directly attributed to the performance of organizational knowledge. The Performance Measurement and Performance Metrics are the two critical quality characteristics that BMU focuses on.

BMU's quality policy revolves around three critical factors:

- ❖ Benchmarking all its activities to global standards
- ❖ Defining various quality metrics and methods to measure them
- ❖ Continuous improvement

4. VICE CHANCELLOR`S REPORT

The BML Munjal University has completed four years and the university has gone through many trials and tribulations. The University has created a unique educational pedagogy for enabling students to meet the 21st Century education and skill needs, and meet the aspirations of the youth, as India moves to become a global leader, based on innovation and by promotion of 'Make in India'. The curriculum is designed to nurture understanding, inquisitiveness and passion by linking teaching, learning, research, industry and societal engagement, leading to better understanding of the subject and an ability to use it effectively.

We have had major transformations in the university. This has only been possible due to the great support and encouragement, from all the major stakeholders or the Six Pillars of the university, namely, the Parents, the Students, the Industry, the Faculty, the Management and the Government.

In the last couple of years, with our efforts and initiatives, we have been approved by a) UGC, b) recognized as a Scientific and Industrial Research Organization (SIRO) by the Dept. of S&T, Govt. of India, and c) also empanelled as member of Samavesh for National strategy and planning under Niti Aayog. This, we believe is one of the fastest timelines among the Indian universities. We continue to deliver our academic programmes with a unique blend of national and international perspectives, based on sound fundamentals and strong experiential learning.

Thus, we ensure that our teaching, learning, research, industry engagement and societal commitment along with blended learning, prepares our students for the dynamic changes expected in the 21st century, in terms of knowledge and skills.

Our unique education pedagogy links Outcomes Based Education (OBE), multi-disciplinary experiential learning and industry & societal engagement to our 3Is - Inquiry, Innovation and Impact. Through experiential learning, our students earn credits through internships and even international immersion programmes from our partner institutes such as Imperial College London and Singapore Management University, Singapore, besides some of the industrial and international experts delivering courses in the campus.

The university has further strengthened its industry engagement and created the next generation relevant courses, by not only expanding the existing labs and courses, but by starting new ones. Industry linkages have been established with leading institutions like Business Analytics with IBM, Forensic Accounting and Corporate Fraud with KPMG, Banking with Axis Bank and Advanced Manufacturing with Siemens. Similarly, industry engagement has been initiated in areas like Lubricant and Tribology with Shell, IoT with Intel and Digital Signal Processing with Texas Instruments. The faculty and students have produced many research papers in international & national journals and have attended many conferences. Some of the faculty members have filed for patents & have ongoing projects funded by DST, Royal Academy of Engineering UK, Niti Aayog and more.

I would once again like to take this opportunity to thank the management, the faculty, staff, students and all our internal and external facilitating agencies for their sincere contribution and continued support and engagement with BMU. We shall continue to strive to further excel and contribute to both our growth and to the growth of quality higher education in Haryana.

Dr. B S Satyanarayana

5. ADVISORY BOARD

S.No.	Name	Designation
1	Shri M. Damodaran	Ex-Chairman, SEBI
2	Shri Subash Bijlani	President, Magnus Consulting Pvt. Ltd., Professor of Maryland University College
3	Shri S. P. Kothari	Deputy Dean, MIT Sloan School of Management
4	Shri Hari S Bhartia	Co-Chairman, Jubilant Bhartia Group
5	Shri T V Narendran	MD, Tata Steel
6	Shri Adi Godrej	Chairman Godrej Group
7	Shri Arun Maira	Member Planning Commission of India; Ex-India Chairman, Boston Consulting Group
8	Shri Harish Salve	Senior Supreme Court Advocate
9	Shri Arun Maira	Former Member, Planning Commission of India
10	Shri Y C Deveshwar	Chairman ITC Ltd.
11	Shri Kiran Majumdar Shaw	Chairman and Managing Director, Biocon Ltd.
12	Shri Sir Mike Gregory	Head Institute of Manufacturing, University of Cambridge
13	Shri Dipankar Gupta	Ex-Senior Advisor, KPMG India; Ex-Professor, JNU
14	Shri R K Pachauri	Chair, IPCC; Director General-TERI
15	Shri Jagmohan Raju	Executive Director, Wharton-ISB Program
16	Dr. R Mashelkar	Chancellor, ACSIR, Former Director General of CSIR
17	Dr. Anand Burman	Chairman, Dabur India Limited
18	Shri Vimal Bhandari	Managing Director & CEO, IndoStar Capital Finance
19	Shri Sonjoy Chatterjee	Chairman, Goldman Sachs India
20	Shri Saurabh Srivastava	Chairman, India Operations-CA Technologies Inc.
21	Shri Dipak Jain	Dean, Sasin Graduate Institute of Business Administration
22	Shri Rakesh Bharti Mittal	Vice-chairman, Bharti Enterprises
23	Dr. Naresh Trehan	Chairman, Medanta Heart Institute

6. GOVERNANCE

6.1 AUTHORITIES OF THE UNIVERSITY

As per Haryana Private Universities Act and BML Munjal University First Statutes, the following are the Statutory Authorities of the University:

Statutory Authorities	Major Function
Governing Body	The Highest Regulatory Body of the University to lay down policies, approve the Budget / Annual Report; make, amend or repeal Statutes, Ordinances and Rules, etc.; provide general superintendence and directions and control the functioning of the
Board of Management	Principal Executive Body to approve senior appointments, fix the emoluments of employees, approve infrastructural requirements, prepare annual accounts through the Finance Committee, accept donations, enter into contracts, select common seal, make rules,
Academic Council	Principal Academic Body to coordinate the academic activities of the University and exercise general supervision over the academic policies of the University.
Finance & Fee Committee	The principal financial body of the University to take care of all financial matters, prepare Financial Estimates (Budget) and Annual Accounts, fix/revise student fee etc.

6.2 COMPOSITION OF VARIOUS AUTHORITIES

13	Maturi Bhavana Reddy	Senior Student 2016 Batch	Member
14	Neera Sood	Female Warden	Member
15	Shobhit Andley	Male Warden	Member

7.3 VARIOUS MEASURES ADOPTED

- ❖ Incorporation of Anti Ragging Regulations under UGC regulation on curbing the menace of ragging in Higher Educational Institutions, 2009.
- ❖ Online Anti Ragging affidavits are taken from freshers as well as parents/guardians
- ❖ Constitute an Anti Ragging Committee as per guidelines of UGC
- ❖ Provide Anti Ragging Helpline Cards to First-Year students
- ❖ Sent bulk SMS to all the senior students to refrain from indulging in ragging.
- ❖ Sent bulk SMS to all the parents of senior students to advise their wards not to indulge in ragging.
- ❖ Display of laws and effects of ragging both on-campus and off-campus.
- ❖ Induction and Orientation for all the freshers
- ❖ Augmentation of security at hostels

8. BMU`s CONTRIBUTION TO THE DEVELOPMENT OF HARYANA

8.1 HARYANA DOMICILE SCHOLARSHIP

As per provisions of the Haryana Private Universities Act 2006, clause 35 & 36, BML Munjal University will grant scholarship to Haryana Domicile students on merit cum means basis, subject to meeting minimum eligibility admission criteria and completing the admission process. It is mandatory for candidates applying under the category of Haryana Domicile to submit a domicile certificate at the time of counselling/admission. The admission & award of scholarship will be decided by the Admissions & Scholarship Committee and its decision shall be final and binding. Seats remaining unfilled from the date stipulated in this category shall be treated as unreserved. ***(Annexure-1: Details of Haryana Domicile Students Scholarship Status-2017)***

8.2 ADOPTION AND CLEANLINESS & OTHER EDUCATIONAL AWARENESS CAMP IN ADJOINING AREAS

Visited the village Gujjar Ghatal and Kapriwsas for cleanliness & other educational awareness camps

Figure-1: Cleanliness & other Educational Awareness Camps

Figure-2: NSS Activities

8.3 SWACHHATA RELATED ACTIVITIES BY UNIVERSITY

The University team undertook the swachhata promotion work in the adopted Gram Panchayat Umrain, Alwar (Raj.). For the betterment of the village and to spread the word about sanitation, various programmes were organized to bring a positive behavioural change in the hearts of the villagers. A variety of events were organized that included swachhata awareness campaigns, door to door visits, school level movie screenings and school level swachhata painting competitions. The solid waste management tasks were also performed to encourage the villagers to come forward and join the initiative which included streets and drains. Solid waste collection drives, compost pit digging, and solid waste segregation drives were also organized. After that, the villagers took a pledge not to spill garbage in the environment and always keep their society and environment clean. Subsequent cases of open defecation in the village were reduced. Apart from this, the problem of overflowing of the garbage bins and poor monitoring of the garbage disposal in the Gram Panchayat was also addressed in the meeting. The measures suggested in this regard were appreciated by the Panchayat. The students applied their engineering skills and made a smart garbage bin prototype to resolve this problem.

The prototype can automatically send the status of a garbage bin by sending a message to the designated mobile. After appreciation from the sarpanch and BDO, the presentation of the same was made to the entire Panchayat Samiti of village Umrain.

Figure-3: Swachhata Related Activities

Figure-4: Swachhata promotion work in the adopted Gram Panchayat Umrain, Alwar (Raj.)

9. FEE CONCESSIONS & SCHOLARSHIPS

On 1st November, we celebrated Founder's Day, to commemorate the life and achievements of the founder of the Hero Group – Late Dr. Brijmohan Lall Munjal. On the same day, the University awarded E2 and Humari Pari Scholarships.

9.1 HERO MotoCorp 'Hamari Pari' Scholarship

This scholarship is offered to first year female students at BML Munjal University, studying in full-time B. Com (Hons), BBA, B. Tech and MBA. It is a manifestation of the Hero Group's initiative and deep commitment to the empowerment of the girl child. Hero Group assists underprivileged but academically bright girls to study at BML Munjal University under this scheme, thereby nurturing the women leaders of tomorrow. ***(Annexure-2: Details of HERO MotoCorp 'Hamari Pari' Scholarship)***

9.2 Hero MotoCorp Educate to Empower 'E2' Scholarship

The BML Munjal University recognises excellence in education and encourages its students to be the best in their chosen field. The university offers 'E2'scholarships to selected students in 8 separate disciplines who have consistently performed well and have been the top rank holders in their respective fields. Educate to Empower 'E2' scholarships will cover tuition, boarding, and lodging costs. ***(Annexure-3: Details of Hero MotoCorp Educate to Empower 'E2' Scholarship)***

9.3 SCHOLARSHIP CRITERIA FOR B. TECH, BBA, B. COM (HONS) & MBA PROGRAMMES

Merit Plan 1

1. 96% PCME & above in class XII CBSE or ICSE Board.

Net Benefit: 60% tuition fee or Rs 5.7 Lakhs

2. 91% to 95.9% PCME in class XII CBSE or ICSE Board.

Net Benefit: 40% tuition fee or Rs 3.8 Lakhs

3. 89% to 90.9% PCME in class XII CBSE or ICSE Board.

Net Benefit: 20% tuition fee or Rs 1.9 Lakhs

Merit Plan 2

1. JEE (Main) rank/ advanced Rank up to 25000:

Net Benefit: 100% tuition fee+100% accommodation or Rs 12.1 Lakhs

2. JEE (Main) rank/advanced rank from 25001 to 50000:

Net Benefit: 75% tuition fee + 75% accommodation or Rs 9.1 lakhs

3. JEE (Main) rank/advanced rank from 50001 to 75000:

Net Benefit: 50% tuition fee + 50% accommodation or Rs 6.05 lakhs

Merit Plan 3- AP /Haryana/Kerala/ Tamil Nadu/ Telangana Board

1. 98% PCME & above in Class XII:

Net benefit: 60% of tuition fee or Rs 5.7 Lakhs

2. 96 – 97.9% PCME in Class XII:

Net benefit: 40% of tuition fee or Rs 3.8 Lakhs

3. 94 – 95.9% PCME in Class XII:

Net benefit: 20% of tuition fee or Rs 1.9 Lakhs

Scholarship Criteria for B. Com & B. Com Programmes

B. Com

1. 95% aggregate & above in core 3 Subjects + English in Class XII CBSE/ICSE- Earns a scholarship worth 75% of the tuition fee.

Net benefit: Rs. 4.35 lac

2. 90% - 94.9% aggregate in core 3 Subjects + English in Class XII CBSE/ICSE- Earns a scholarship worth 50% of the tuition fee.

Net benefit: Rs. 2.90 lac

3. 87-89.9% aggregate in core 3 Subjects + English in Class XII CBSE/ICSE- Earns a scholarship worth 25% of the tuition fee.

Net benefit: Rs. 1.45 lac

BBA (in association with KPMG)

1. 95% aggregate & above in core 3 Subjects + English in Class XII CBSE/ICSE- Earns a scholarship worth 75% of the tuition fee.

Net benefit: Rs. 5.85 lac

2. 90% - 94.9% aggregate in core 3 Subjects + English in Class XII CBSE/ICSE- Earns a scholarship worth 50% of the tuition fee.

Net benefit: Rs. 3.90 lac

3. 87-89.9% aggregate in core 3 Subjects + English in Class XII CBSE/ICSE- Earns a scholarship worth 25% of the tuition fee.

Net benefit: Rs. 1.95 lac

BBA

1. 95% aggregate & above in core 3 Subjects + English in Class XII CBSE/ICSE- Earns a scholarship worth 75% of the tuition fee.

Net benefit: Rs. 5.5 lac

2. 90% - 94.9% aggregate in 3 Subjects + English in CBSE/ICSE- Earns a scholarship worth 50% of the tuition fee.

Net benefit: Rs. 3.70 lac

3. 87-89.9% aggregate in 3 Subjects + English in Class XII CBSE/ICSE- Earns a scholarship worth 25% of the tuition fee.

Net benefit: Rs. 1.85 lac

(Annexure-4: Scholarships Awarded for B.Tech, BBA, B.Com (Hons) & MBA Programmes in FY 2017-2018)

10. ACADEMIC REPORT

10.1 ACADEMIC PROGRAMMES

10.1.1 SCHOOL OF ENGINEERING & TECHNOLOGY

The School of Engineering and Technology was established in 2014 and formally notified by the Department of Higher Education, Govt. of Haryana, vide Memo No: 20/7-2012 UNP (5) dated June 23, 2014. The aim is to nurture technically sound, socially responsible engineers, who will evolve into innovators and entrepreneurs capable of delivering outstanding solutions. SOET's innovative and cutting-edge B. Tech programmes are of special interest to students who wish to be a part of a close-knit community of 'thinkers' and 'doers'; who have an aptitude for engineering applications; are interested in research and want to bring about a change in the world. SOET graduates will be capable of designing and building outstanding solutions, and creating and managing enterprises for the development of the global economy.

In order to ensure that its students are abreast with contemporary trends, BMU, has some of the most advanced 3D printers on campus in its labs, to enable students to get hands-on experience in the latest fields. The printers are so advanced that they are even used by the industry to make prototypes. This is just one of the many ways in which BMU ensures that its students are fully industry ready, when they graduate.

SOET brings together outstanding academics, industry professionals, experienced researchers and the latest facilities to deliver a unique hands-on and multi-disciplinary learning experience. The emphasis is on learning by doing. The curriculum connects different areas of engineering; integrates engineering, mathematics and science along with the arts, humanities and entrepreneurship; and focuses on building a range of life skills, essential for a career success in the 21st century.

The School of Engineering & Technology offers the following programmes:

S. No.	Programme	Duration
1	B. Tech- Electronic & Communication Engineering	4 Years
2	B. Tech-Computer Science & Engineering	4 Years
3	B. Tech- Computer Science	4 Years
4	B. Tech- Mechanical Engineering	4 Years
5	B. Tech. Civil Engineering	4 Years
6	PhD in Engineering	3 Years

10.1.2 SCHOOL OF MANAGEMENT

The School of Management was established in 2014 and formally notified by the Department of Higher Education, Govt. of Haryana, vide Memo No: 20/7-2012 UNP (5) dated June 23, 2014. The School of Management offers Undergraduate and Postgraduate Programmes in various specializations viz. Core Management, Human Resource, Operations, Finance, Marketing and System Management. Industry requirements are met by adopting a contemporary syllabus and pedagogy involving case-based teaching, industrial projects, guest lectures by eminent experts and industrial visits. Students and Faculty members benefit alike from enhanced engagement of industry experts in various activities of the School.

The MBA programmes at BML Munjal University take a long-term view of business education and prepare students for long and fulfilling careers. Our multi-disciplinary, application-based curriculum, mentored by Imperial College London, provides life skills and practical knowledge that allows us to create innovators, thought-leaders, and entrepreneurs, who can reinvent the future of doing business in new ways. Through these programmes, the students are enabled to become business ready and to lead from the day they step into the industry.

In the current global context, the School believes that professionals must exhibit both technical and character-competence to achieve business objectives and to make ethical choices. The School is committed to developing these qualities in its students.

Co-designed by Imperial College, London, the BMU's innovative BBA programme offers a new vision for business education. Based on an interdisciplinary and integrated curriculum, with a team-based, problem solving and hands-on learning environment, the BBA programme prepares its students for the corporate world. Students graduate with practical knowledge and skills that will help them set the highest possible standards at the workplace. For example, they will learn how to analyse business environment, devise a business plan, work as a cohesive team and think of effective solutions to problems. The School of Management offers the following programmes:

S. No.	Programme	Duration
1	Master in Business Administration <ul style="list-style-type: none"> • MBA (Regular) • MBA in Business Analytics • MBA in Finance and Investment Banking • MBA in Forensic Accounting and Corporate Fraud (in association with KPMG) 	2 Years
2	Bachelor in Business Administration	3 Years
3	PhD in Management	3 Years

10.2 ACADEMIC PROGRESSION / DISTINCTIONS [2017-2018]

Result Analysis- MBA: 2016-2018, B.Tech:2014-2018, BBA: 2015-2018 and B. Com (Hons): 2015-2018

Programme	Appeared	Qualified	Not Qualified	Suma Cum Laude	Magna Cum Laude	Cum Laude	Result (%)
				Above 9 CGPA	7-9 CGPA	Below 7 CGPA	
MBA	43	43	0	0	21	22	100.00
B. Tech (Computer Science and Engineering)	61	58	3	4	35	22	95.08
B. Tech (Computer Science)	24	24	0	1	12	11	100.00
B. Tech (Mechanical Engineering)	71	70	1	4	41	26	98.59
B. Tech (Electronics and Communication Engineering)	20	19	1	0	13	7	95.00
B. Tech (Civil Engineering)	11	11	0	0	5	6	100.00
BBA	15	14	1	1	4	10	93.33
B. Com (Hons)	19	15	4	2	8	9	78.95

(Annexure-5: List of graduating students)

10.3 THE THIRD CONVOCATION

The ceremony of the Third Convocation of BML Munjal University, Gurugram for the 2018 batch, held at the University campus, was presided over by Shri. Pranab Mukherjee, Former President of India as the Chief Guest along with Shri. Ritesh Agarwal, Founder and CEO OYO Rooms as the “Guest of Honour”. A total of 269 students were awarded their respective degrees at the convocation.

Programme	Appeared	Qualified	Pass %
Master of Business Administration	43	43	100.00
Bachelor of Technology (Computer Science and Engineering)	61	58	95.08
Bachelor of Technology (Computer Science)	24	24	100.00
Bachelor of Technology (Mechanical Engineering)	71	70	98.59
Bachelor of Technology (Electronics and Communication Engineering)	20	19	95.00
Bachelor of Technology (Civil Engineering)	11	11	100.00
Bachelor of Business Administration	15	14	93.33
Bachelor of Commerce (Hons)	19	15	78.95

MEDALS AWARDED AT CONVOCATION:**Dr. Brijmohan Lall Munjal Medal**

Programme	Name of Student	CGPA
School of Engineering & Technology	Utkarsh Dwivedi	8.4
School of Management	Mrinal Tyagi	8.41
School of Economics & Commerce	Kushagra Agarwal	9.41

Academic Excellence Medal

Programme	Name of Student	CGPA
Master of Business Administration	Sonali Sitoshna Nayak	8.56
Bachelor of Technology (Computer Science and Engineering)	Sanket Tantia	9.83
Bachelor of Technology (Computer Science)	Mayank Gupta	9.62
Bachelor of Technology (Mechanical Engineering)	Shashank Pandey	9.51
Bachelor of Technology (Electronics and Communication Engineering)	Saif Jahangir	8.98
Bachelor of Technology (Civil Engineering)	Shiv Charan Semwal	8.33
Bachelor of Business Administration	Shruti Jain	9.15
Bachelor of Commerce (Hons)	Vipin Bansal	9.43

Figure-5: Academic Procession-Third Convocation

Figure-6: Conferment of Degree by Chief Guest- Shri. Pranab Mukherjee, Former President of India, Dr.B. S. Satyanarayan, Vice Chancellor & Shri Akshay Kant Munjal, President-BML Munjal University during Third Convocation

Figure-7: Conferment of Degree by Guest of Honour- Shri. Ritesh Agarwal, Founder and CEO OYO Rooms, Dr. B. S. Satyanarayan, Vice Chancellor & Shri Akshay Kant Munjal, President-BML Munjal University during Third Convocation

Figure-8: Post Convocation Interaction of Shri Suman Kant Munjal-Chancellor, BML Munjal University, Ms. Swati Munjal- Director, Strategic Initiatives & Engagement-BML Munjal University & Student Council Members with Shri. Pranab Mukherjee, Former President of India

10.4 PRACTICE SCHOOL

All the students related to B. Tech, MBA, BBA & B. Com (Hons) have completed their practice school/internship in various reputed international & national companies like Hero MotoCorp Ltd, Ericsson India Pvt Ltd- Gurgaon, Huawei Telecommunications Ltd-Gurgaon, Lodz Poland, Binani Cement Pvt. Ltd-Rajasthan, Digital Product School- Germany, Netlink Software Pvt. Ltd-Bhopal, NASA Fire Technology Limited-Ahmedabad, NYX Incorporated-USA, Amazon-New Delhi, Al Khalili Construction, LLC-Oman, Aditya Aluminium Limited, Hindalco Industries-Odisha etc. ***(Annexure-6: Details of practical schools/internships)***

10.5 PLACEMENTS

In the last academic year 43 students of MBA, 96 students of B. Tech, 03 students of BBA & 02 students of B. Com (Hons) have been placed in many reputed companies like TVS Motors, Hero Fincorp, Amazon, Axis Bank, Genpact, Hero Motocorp, HDFC, Sun Birla etc. ***(Annexure-7: Details of placements)***

11. RESEARCH & DEVELOPMENT

Though the University has been in existence for just 4 years, it has made significant progress in research and development endeavours.

11.1 ONGOING PROJECTS

The list of ongoing projects or projects completed this academic year at BMU include:

Name of Projects	PI/PoC	Amount & Agency
Surface Engineering and Thin film technology for Course Development and Training Faculty for Automotive and Sensor Applications engineering	B S Satyanarayana/ Dr. O.S. Panwar	Rs 50 L (Royal Academy of Engg UK)
Spectroscopic investigations on functionalized fullerene derivatives for prediction of efficient acceptors in organic solar cells	Dr. Tabish Rashid	Rs 10 L (DST)
Investigation of structure and properties of h-bonded unsymmetrical n-type organic semiconductors: towards efficient organic field effect transistors	Dr. Amarnath Bheemareddy	Rs 22 L (DST)
Development of thermal diffusion barrier coatings for cam chain pin.	B S Satyanarayana/ Dr. O.S. Panwar / Ajay Yadav/ Dr. Abhimanyu Rana	Rs 17.5 L (Rockman Ltd)
Optical thin film coatings for defence instrumentation	B S Satyanarayana/ Dr. O.S. Panwar / Ajay Yadav/ Dr. Abhimanyu Rana	Rs 5 L (Shakthi Works)

Study of Jan Aushadhi process	Dr. Ritu Chikara/ Dr. Ruchi Garg/ Dr. Vishal Talwar/ Dr.B.S.Satyanarayana	Rs. 25 L (Niti Aayog)
Copper enabled low cost, clean water technology for rural environments.	Dr. B. S. Satyanarayana	Rs. 6.6L (Traditional University, Foundation for Revitalisation of Local Health Traditions (FRLHT))

11.2 INTEGRATED R&D INITIATIVES

The University has also created a cohesive R&D strategy by creating six multidisciplinary research competence platforms to enable student learning, skilling, industrial engagement linked experiential learning, faculty R&D, and industry linked technology research for enabling inclusive innovation and entrepreneurship.

- ❖ Centre for Cloud, HPC, Analytics, Mobility, Policy, Social Media and Security **(C-CHAMPSS)**,
- ❖ Centre for Materials, Advanced & Additive Manufacturing, Integrated Automation through Networks (Make in India) **(C-MAAIN)**,
- ❖ Centre for Sustainability, Environment, Water, Waste Management and Clean Air **(C-SEWWA)**,
- ❖ Centre for Clean & Renewable Energy, Energy Efficiency, and Management, **(C-CREEM)**,
- ❖ Centre for Large Area Microelectronics, Plastic & Printable (Flexible) Electronics and Surface Engineering **(C-LAMPPEES)**,
- ❖ Centre for Sensors, Health, Instrumentation, Networks, Embedded systems, **(C-SHINE)**.

These six centres provide the platform for the university to work towards any new product or service domain, linking all the capabilities for skill development, incremental innovation, products and service development and delivery, to entrepreneurship and “Make in India”, in a sustainable fashion.

Sustainability includes sustainable ROI for industry through innovation, and environmental sustainability, built in to the product or service throughout the product/ project lifecycle management. This could enable, an MSME, a start-up or even an Indian/ International MNC.

Further to accelerate the establishment of these R&D centres and to encourage faculty and students to take up active research, the BMU initiated the University Research Promotion Scheme initiative. The University, under its Research Promotion Scheme has funded many initiatives laying the foundation for project proposals and publications; student R&D and experiential learning. The research initiative projects for faculty and students started with an initial fund of Rs 30 lakhs, which has already led to multiple project proposals worth over Rs 440 crores; 15 publications; over 25 conference papers; multiple student projects; experiential learning activity, one patent filing and more. This is over and above the large investment in the six technology centres worth over Rs 500 crores, which have now become fully functional.

The projects, begun under the University Research Promotion Scheme initiative, have been sanctioned Rs 30 lakhs (Rs 20 lakhs for faculty initiative and Rs 10 lakhs for student activity) and include:

1. Establishing a facility for growth and characterization of diamond like carbon (DLC) thin film coating using the Plasma CVD process for automotive and medical applications.
2. Study of feasibility of Coaxial Self Assembly by n-and p type organic semi conductors for large area and flexible electronics.
3. Preliminary studies of development of Metal Laser Sintering Technology by integrating reverse engineering.
4. Establishing a facility for Vacuum Nano Electronics Device Simulations, growth and characterization.
5. Study of Efficient Solar Cells by using a coaxial self assembly of n and p type semiconductors.

6. Study of electronics, structural and mechanical properties of Cathodic Arc grown nano carbons, Tetrahedral Carbon, for flexible electronics and tribological applications
7. Investigating & optimizing the machinability of new high strength steel and titanium alloys for automotive & aerospace applications
8. Study of electron emitters and design of arrays for Fabrication and analysis of micro channels for use in electric propulsion system for pico & nano satellites
9. Design and development of a Bone Fracture Fixation Machine (design and initial fabrication of 1st prototype has been completed and is under testing, as part of student projects and patent to be filed)

- **Student Projects (most major components designed and made in the workshops)**

- Eco Cart (participated in three events)
- Race Car (one event in Noida)
- All Terrain Vehicle (one event in Ahmednagar)
- Robotics systems with remote navigation control (multiple events and won awards)

- **Centre for Operational Excellence** has been established in the university campus with Prof. Kalyan Talluri, from Imperial College London as Chair Professor. The Centre especially looks into issues related to transformation of India into a global leader. These include looking at the university's focus on building an Institute of Inclusive Innovation. Students not only get the opportunity to attend a course delivered by the Imperial College faculty at BMU, but also have provision to attend courses at Imperial College London to get additional credits. The faculty has also been involved in joint research and paper publications.

- **Research Projects:** The University has joint projects of over Rs. 2 crores, besides nearly Rs 250 crores of investment from industries including, Siemens, IBM, Shell, KPMG, Hero MotoCorp and Axis in over 15 labs and courses in the campus. Grants have also been received from organisations including DST, Government of India, Royal Academy of Engineering, UK (RAEngg) - Newton Bhabha Fund and other

organisations. These include projects in areas such as: Surface Engineering & Nanotechnology based Sensors in collaboration with University of Surrey, DST grants for organic semiconductors, novel materials, spectroscopic study and mathematical modelling.

- BMU has been recognized as a master trainer centre: under skill development with IASC-NSDC and has been invited by Advanced Manufacturing and other skill development sectors and even under BRICS cooperation for Manufacturing 4.0.
- **Faculty's contribution to Research:** R&D projects of the University are supported and facilitated by over 100 regular faculty, besides collaboration with other national and international institutions, thus, enabling joint or stand-alone research in multidisciplinary areas.

11.3 FACULTY PUBLICATIONS

In the last academic year, the faculty members have published many research papers in different indexed international & national journals like *Springer-Journal of Wireless Networks*, *Journal of Applied Mathematics and Physics*, *American Journal of Humanities and Social Sciences*, *International Journal of Research in Humanities, Arts and Literature*, *International Journal of Advanced Operations Management*, *Journal of the European Ceramic Society*, *Journal of Experimental and Theoretical Artificial Intelligence*, *Elsevier*, *International Journal of Thermal Sciences*. Apart from this, they have also presented & published many research papers in international & national conferences like *International Conference on Recent Development in Mechanical and Industrial Engineering (ICRDMIE)-Delhi*, *International Conference on Computing Networking and Informatics (ICCNl)-Covenant University, Nigeria*, *International Conference on Business, Economics & Sustainable Development-TERI* etc. They have written many books with various international & national publication houses.

(Annexure-7: Details of faculty publications)

11.4 ADVANCED LABS/WORKSHOP

- Manufacturing Process Lab-I
- Robotics Lab
- Pneumatic & Hydraulic Lab
- Automation Lab
- Electrical Energy Studies Lab
- Process Instrumentation Lab
- Mechatronics Lab
- CNC Controller Lab
- IC Engine & Thermodynamics lab
- Hydraulics & Fluid mechanics Lab
- Mechanics of Solids
- Kinematics & Dynamics of Machines lab

- Heat & Mass Transfer Lab
- Transportation Engineering Lab
- Structural Engineering Lab
- Geo Tech Lab
- Environmental Engineering lab
- Civil Engineering Material and Concrete Lab
- Electrical & Electronics Lab
- Microwave Lab
- MBSD, DHD Lab
- Control Systems Lab
- Communication Lab
- IoT Lab

12. NATIONAL AND INTERNATIONAL LINKAGES DEVELOPED

The BML Munjal University has signed Memoranda of Understanding with the following Foreign Universities, to improve the quality of education and to meet the International demands.

- ❖ **MoU with Imperial College, London**, for potential mentorship of the School of Management (SoM). BMU proposes to conduct teaching and high-quality research, especially focused on issues pertaining to India and other emerging economics. ICBS will serve as a mentor institution, where it assists BMU SoM in its formation, development and growth. The mentorship will encompass both research and education activities.
- ❖ **MoU with Singapore Management University, Singapore**, to provide a framework of cooperation and to facilitate collaboration on a non-exclusive basis, in areas of mutual interest including exchange of faculty and students.
- ❖ **MoU with Institute for Trans-Disciplinary Health Services and Technology**, the purpose of the MoU is cooperation and promotion of research and development and publication in areas of mutual interest. Formulation of joint research proposals and participation in joint research programmes, visits by faculty, students and researchers to each other's organization, for initiating and implementing joint projects on mutually agreed terms.
- ❖ **MoU with National Physical Laboratory, New Delhi**, to facilitate exchange visits of staff for a limited period, for implementation of joint tasks in the areas of cooperation.
- ❖ **MoU with Axis Bank**, for offering an elective course with over 40 hours of learning in banking, to students of BMU at its campuses in the 1st year of their MBA programme, designed and delivered jointly to meet the requirements and compliance norms from both the parties.

- ❖ **MoU with Sangam Capital Advisors Private Limited**, for sharing and exchanging knowledge and expertise in the fields of strategic partnerships, joint evaluation and advisory of investment opportunities as also for technical, scientific research, student training opportunities, staff exchange.
- ❖ **MoU with Saint Mary`s College of California, USA**, intended to establish academic cooperation in order to further the mutual interests of and to foster engagement in collaborative research, hosting short term academic programmes and participation in seminars and academic meetings for members of staff.
- ❖ **MoU with Kent State University, USA**, for exchange of students for traditional student exchange programmes, exchange of academic personnel for teaching, research, organizing joint seminars and conferences, hosting of visiting faculty, exchange of academic programme materials, development of joint research & publications, study abroad of students between institutions and development of specialized degree completion programmes.
- ❖ **MoU with Australia India Institute Private Limited**, To facilitate MoUs with reputed Australian Universities & offer collaborative research, participate in seminars and academic meetings.

13. HUMAN RESOURCES: FACULTY AND STAFF

BML Munjal University makes a continuous endeavor to strengthen the faculty by recruiting senior professionals and experts from diverse domain and subject related areas for School of Engineering & Technology, School of Management and School of Economics & Commerce. The faculty strength related to School of Engineering & Technology now stands at 78, School of Management 14. A brief listing of the faculty members is appended as ***Annexure-8: List of Faculty*** in this report. Besides the faculty members, BML Munjal University is strongly supported by a team of talented and competent administrative and technical staff. A brief listing of the staff members is appended in ***Annexure-9: List of Staff***.

14. LIBRARY RESOURCES

The Library lies at the heart of teaching, learning and research at the University. It caters to the information needs of the students, faculty members, staff and research scholars. It occupies a place of pride in the University and is an essential component of the Institute's outstanding research and education mission. The Library is housed in an air-conditioned building with a well-furnished, spacious reading room which creates an atmosphere of serenity and thereby inspires intellectual stimulation and research. It has a vast repository of both print and electronic resources that include books, print journals, magazines, project and/or annual reports, newspapers, articles and case studies, courseware and e-databases/e-journals (IEEE, EBSCO Business Source Premier, J- Gate, Bloomberg and Thomson Reuters) that can be used as references by both students and faculty. The Library is also an institutional member of the Developing Library Network (DELNET) and National Digital Library of India (NDLI) for sharing the resources among its member libraries.

The Library is automated by integrated KOHA Library Management Software with RFID Technology and has utilized Information Technology extensively to ensure that resources are accessible at any time. The Digital Library provides a conducive environment for intellectual inquiry by providing user-focused services to obtain and evaluate scholarly information and knowledge. It is connected to high speed internet and intranet of a network. All activities of the Library are computerized, including smart ID cards and On-line Public Access Catalogue (OPAC) to know the status of books at any time. The Library provides various specialized services to the users, i.e., CAS, SDI, News Alert, Reference, Digital Archiving and OPAC.

Vision of Library

- Pay attention to the information needs of patrons
- “Exemplary customer service” is our mantra/watchword
- Personal research assistance and service
- Continue the tradition of providing high quality services
- Space for teamwork and collaborative learning

Functionalities

- Acquisition of Library Resources
- Cataloguing & Classification of Resources
- Reference & Information service
- Serial Control
- Library Automation

(Annexure-10: Details of Library)

15. CAMPUS ROUND-UP

- Total No. of buildings (Physical Infrastructure) =13
- Total number of hostels=06
- Total number of occupants in hostels=1994
- Total number of toilets in hostels=229
- Student: Toilet ratio (Hostel) =9:1
- Total number of toilets in the campus (Other than hostel): **for Differently abled = 18**; for Male & Female =182
- Total number of toilets in the University=229+ 200=**449**
- All water supply systems are connected with RO water for drinking in the whole campus and 100% of RO rejected water is used for flushing.
- Having garbage clearance units per building & floor
- Having solid & a liquid waste management system:
 - ✓ **Compost Machine**-Capacity: 250 kg/day, decomposing garden & kitchen waste, converting it into manure. The food & green waste are used for composting. The excessive compost is given to nearby villages like Lokra, Sidhrawali & Kapriwas etc for their use ,as a part of CSR activity
 - ✓ **Rain Water Harvesting Pits**- 22 rain water harvesting pits for maintaining the ground water level.
 - ✓ **Pond**-Capacity of 262 cubic meters for collection of excess rain water.
 - ✓ **Swells**- For collection of rain water other than pits & pond, we have created swells.
 - ✓ **Sewage Treatment Plant**-700 KLD STP for treating kitchen & toilet waste, entire campus water is treated having zero discharge outside.
 - ✓ **Effluent Treatment Plant**- 100% of laundry waste water is treated without any outside discharge.
 - ✓ **Treated Water Usage**- Treated water from STP is used for flushing & gardening purpose.
 - ✓ **RO Water Recycling System**- 100% of RO rejected water is used for flushing

Figure-9: Compost Machine

Figure-10: Pond for Rain Water Harvesting

Figure-11: Sewage Treatment Plant

Figure-12: RO System

- With modern hostel/mess facilities
 - ✓ Spacious & well-ventilated kitchen area equipped with high capacity exhaust & treated fresh air units.
 - ✓ Two messes with 700 seating capacity
 - ✓ Provision of machines like Chapati machine, boiler, tilting pan, high pressure cooking ranges, wet & dry grinders etc.
 - ✓ Gloves, Headgears and Aprons are mandatory while cooking / serving food
 - ✓ Surprise inspections to ensure adherence to hygiene measures
 - ✓ Periodic health checkup of hostel staff
 - ✓ Integrated pest management
 - ✓ Well trained & groomed staff

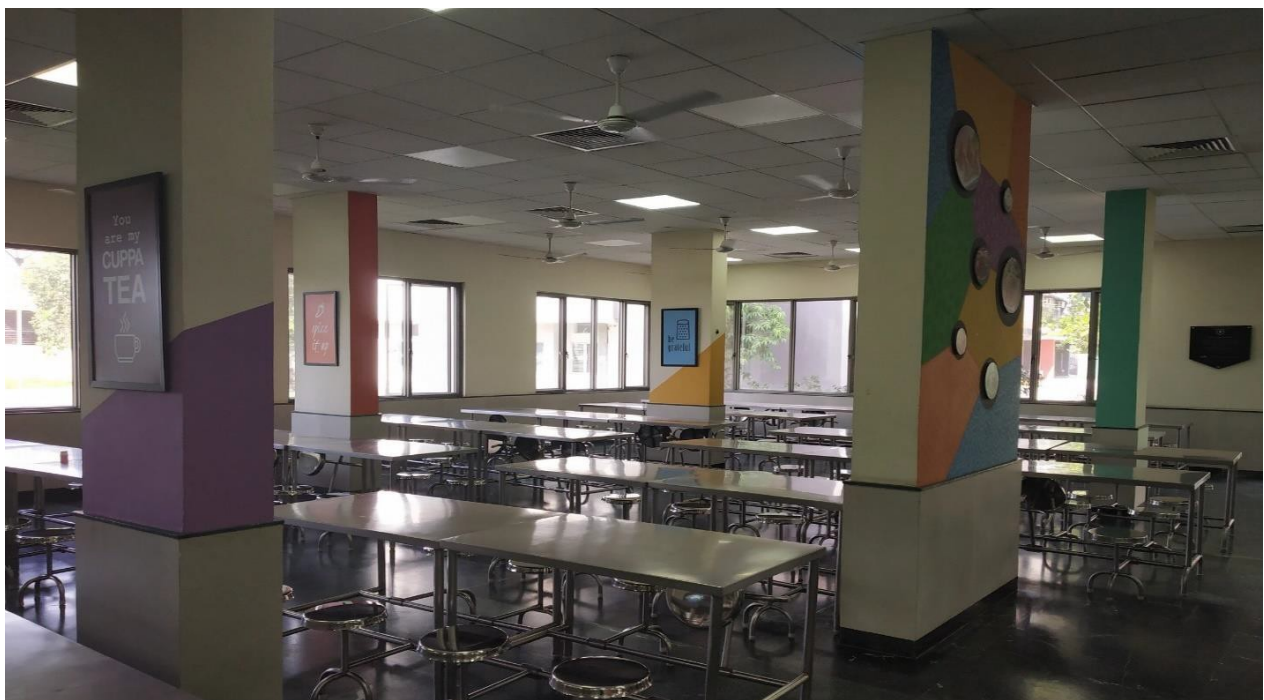

Figure-13: Hostel Mess

- **Green Campus**

- ✓ **Green Area**-84% of total campus comprises of ground covers, trees, shrubs etc.
- ✓ **No. of Trees**-11752 of total trees comprising of various species.
- ✓ **Manpower**-16-member team maintains the landscape and green area around the campus
- ✓ **Taps & Showers Aerators**-Taps and showers in whole campus are equipped with aerators creating a non- splashing stream and often delivering a mixture of water and air, reducing water wastage. We used portable sprinklers are used for water conservation.

Figure-14: University Green Area

- **Solar power Initiative innovative usage**

- ✓ **Solar Cells**-Grid connected photovoltaic power system of 246 KW capacity.
- ✓ **LED Lights**-The entire campus is equipped with LED lighting for less energy consumption.
- ✓ **Natural Light Usage**-The design of academic & library building allows more daylight usage decreasing energy consumption.

- ✓ **Air Cooled Chiller with adiabatic technology-** 650TR of air cooled chiller instead of water with inverter technology which saves water & electricity.

Figure-15: Grid connected photovoltaic power system

Figure-16: Chiller

Figure-17: Energy Conservation by Natural Light Usage

(Annexure-11: Details of Campus Round-UP)

16. CLUBS & EXTRA CURRICULAR ACTIVITIES

The BML Munjal University focuses on the holistic development of every individual and not purely on academics. We strongly believe that to build a community it is essential for all stakeholders to participate and interact beyond the confines of the classroom. A variety of cultural, social, athletic and academic clubs and societies are available for University students. The activities on campus are focused on allowing every individual to express his or her talent and to encourage them to attempt new pursuits within a safe and supportive environment. The objective of all the Clubs is to provide a platform to build, support and sustain an inclusive and vibrant student community at BMU; where members have the opportunity to pursue their passion, expand their horizons, develop leadership skills, reach their full potential and change the world around them.

The core values are the foundation blocks for all student activities. They are as follows:

- ✓ **Team Spirit:** To foster a culture of mutual trust, support and encouragement, in order to create a friendly environment within the student community.
- ✓ **Entrepreneurial Spirit:** To develop entrepreneurial orientation where Club members are able to nurture their ideas, put them into practice.
- ✓ **Leadership Skills:** To develop leadership skills where members are able to confidently participate, develop and lead.
- ✓ **Scholastic Excellence:** To encourage scholastic excellence by learning through hands-on experience and exposure to latest academic developments.

Clubs /Societies for students include:

Strategists and Entrepreneurship Club

The Strategists and Entrepreneurship Club came into existence with the vision of creating future leaders and achieve an in-depth understanding of contemporary trends, while itself acting as the centre to entrepreneurial ventures taken by its students: providing a strong foundation upon which they can successfully establish their enterprises implementing their creative ideologies.

Initiatives:

- **BMU Marketplace** - Online and offline platform for the sale of products sourced from NGOs, and made by students on campus, etc. Started as a pawn shop on campus, it has now been an online set up on various social media platforms. Students get hands on experience on how to deal with sellers, customers and how to use various online platforms for selling and even use analytics to boost business.
- **Falhaar**, an exclusive fruit-shop that caters to several students who wish to include some health in their diet replacing the regime of junk food on campus.
- **Tibetis**, a campus outlet serving the Tibetan favourite: Momos. The students have researched several competitive names and developed a better way of selling them, formulating new deals and implementing modern marketing concepts.
- **Book2Book**: It is a student-run startup launched on 25 January 2017 by a determined team of 3 students. Book2Book offers to sell or buy old semester course books from anywhere and anytime by being a seller or a buyer, respectively, through its online portal www.Book2Book.hol.es.
- **MyTalk** - “An Entrepreneur’s Voice” The Club started with an initiative to create a culture of Entrepreneurship at the university with a programme, MyTalk where different entrepreneurs from

various fields came to share their inspiring stories behind their success. The programme was launched on December 8, 2016 and had in total of 6 sessions.

Club Facebook Page - <https://www.facebook.com/TSECBMU/>

Instagram Page - <https://www.instagram.com/tsecbmu/>

Figure-18: An Entrepreneur's Voice Event

Photography and Cinematography Club

The market for photographic administrations shows the truism “One picture is worth a thousand words” which has an intriguing premise ever. So, keeping in mind all these perspectives and interests, we have produced a “Photography Club” for all those keen budding photographers to enhance their skill set. We trust that this undertaking should not only widen the horizons of students at BMU as well as support and develop their latent abilities in photography alongside their academic skills. The list of events is as follows:

Sr No.	Event	Month	Description
1	Toy Car Photography	September	First workshop cum creativity test for the newbies of the Club.
2.	Introductory Workshop	September	Workshop about functionalities of Camera and its parts
3.	Splash photography	September	Fun based activity using a high shutter speed.
4.	Powder Photography	October	Fun based activity using powder and high-speed sync flash and camera
5.	Photo walk to Delhi	October	Real time testing of Photography on streets of Delhi.
6.	Workshop on Silhouette Photography	October	Silhouette Photography
7.	Photo Editing	November	Workshop on Photo Editing
8.	Video Editing	November	Workshop on Video Editing
9.	Light Painting	November	Workshop
10.	Sport Photography	November	Workshop + Real Time work in sports Fest
11.	Schlieren Imaging	January	Workshop
12.	Online Photography Competition	January	DU fests – 3 colleges

13.	The Boring Room Challenge	January	Workshop
14.	Fashion Photography Workshop	January	Workshop
15.	Speed Photography	February	Workshop

Savera Club

Savera (Students as Volunteers in Education to Reach and Assist) is a student run NGO at BML Munjal University, which aims at providing a quality education to the poor and underprivileged children, making them as valuable and capable as other children of the nation. We believe that education is the most essential tool for the better and moral development of the world. Savera arranged an awareness campaign for the nearby villagers to make them understand the power of education and how their children would benefit by joining Savera. Moreover, we also tried to address the problems that the parents were facing in sending their kids to school. This campaign all in all helped us to know the situation of students in underprivileged society and how to improve it.

Annual Events:

- Kiran
- Krystal
- Nirmala-The Stage Play
- Village Awareness Campaign
- FeDucate
- Cover'em up

Figure-22: Nirmala-The Stage Play: Through this Drama we covered issues relating to child education, women empowerment

Figure-23: Cover'em up: Winter clothes distribution campaign

Social Media Page: <https://www.facebook.com/savera.bmu/>

Savera conducted an event called “Krystal” to raise some funds for the holistic development of the students. The event took place in three fun packed phases.

Carnival- In this the students had set up their own stalls to sell products or entertain others through various games and fun filled activities. Cultural Night- Secondly, we had a cultural night where the students of our college displayed their talent to contribute to a noble cause. DJ Night- Later everyone danced to the beats of music to call off a noble event in style.

Robotics Club

The robotics club is a gathering of students who are interested in learning about and working with robots. In robotics competitions, teams of students must design and build a robot that can compete against opponents in a series of specific challenges. Students develop and programme their robot in the weeks before the event, adhering to list of preset rules and regulations. Much like traditional sporting events, these robotics competitions draw large crowds who gather to see which robot will best perform the task it has set out to complete.

Automobile Club

The Automobile Club of BML Munjal University comprises of a group of hardworking individuals who share a common passion-automobiles. It has taken part in several competitions like SUPRA SAE, SAE SUPRA F1 RACING, SHELL ECOMARATHON and ECO-KART. The Club members organize lectures on Automobiles and their various sub-systems, and hold workshops to teach softwares such as Solid works, NX, ANSYS etc. This club collectively believes that there is a huge potential for innovation in the social and technical sector that can be brought about by smaller changes. Members of the club are also motivated to work with distinguished professors, especially in areas related to engine performance, greener technology and electric drive vehicles. *“Automobile Club is more than just putting parts together.*

It's coming up with ideas, testing principles and perfecting the engineering as well as final assembly. The projects we have completed, demonstrate what we know - future projects decide what we will learn".

Figure-24: Automobile Innovations by Students of BML Munjal University

Association of Computer Machinery (ACM)

ACM BMU is the student chapter of the Association of Computing Machinery which is the worlds biggest technological organisation. ACM aims to promote hardware and software development

culture among students. ACM has organised many workshops on subjects like web development and network elements. ACM's coding competition held last year saw the participation of all the students from computer and electrical branches of the college and gave them a platform to gauge their abilities while also promoting the coding culture. Among its many activities, ACM held an App Inventor Workshop followed by an android app development competition. Cybersecurity Workshop held by ACM was received with immense enthusiasm by students.

Events:

- Cyber Security Workshop
- Android App Development Competition

Fight Club

The BMU Fight Club is India's only club, at university level, that practices Mixed Martial Arts with Brazilian Jiu Jitsu (Grappling) as its core. Under the guidance of Tarun Yadav (2 times National Grappling Champion), we train for self-defence and better fitness.

Culinary Club

Heightens the engagement of BMU students with food and beverage to broaden their perspectives and readiness to live beyond BMU. Our club is not only restricted to tasting the food, but it is learning the overall ambience associated with food.

Enactus

ENACTUS is an international non-profitable organization that works with leaders in business and higher education to mobilize university students to make a difference in their communities while developing the skills to become socially responsible business leaders.

IETE

IETE Student Forum, BMU is part of one of the leading professional societies in India. IETE BMU, have been devoting and contributing to the advancement of science and technology in the fields of Electronics, Communication, Computer Science, Internet of Things and other related subjects. During 2017-18 we organized 4 workshops and 2 events including IoT Challenge in association with Radiance, IIT Bombay. These workshops and events were aimed at providing relevant, practical knowledge and giving the participants a platform to show their skills and compete with other like-minded individuals. From time to time visits to various technical conferences and Expo are also planned to broaden the horizon of the students.

LiQuiD

LiQuiD stands for Literary, Quizzing and Debating Society. Over the past 3 years we have conducted numerous events under three different sections of the club. Under the Literary section, we have conducted reading sessions featuring the works of authors like Sir Arthur Conan Doyle, Isaac Asimov, etc. Under Quizzing we've conducted Indica (Quiz related to India), Balls and Glory (Cricket Quiz), GOT quiz, Harry Potter Quiz (twice) and many more. LiQuiD also brings out the University Magazine – Tsundoku, twice a year. It is about to get an online form. Stay tuned.

The very first quiz 'Qrious' of the LiQuiD Club for the year 2017-18 was conducted in November to enthusiastic response from everyone, especially the first years. The turnout was much more than the recorded average. The quiz was general in nature with questions ranging from information on TV series to Science. The quiz was won by Yash Gaur and Vidit Pathak and the runner up team was Sharan Srinivasan and Shubhi Jain, both freshers. The quiz (along with the debates by LiQuiD) helped to break the ice between the seniors and juniors. The questions were well received and appreciated.

LiQuiD conducted two Chai pe Charchas over the past semester. The topics were - “Is the glorification of criminal elements in Bollywood movies justified?” and “Does India have any obligation towards accepting the Rohingya refugees?”. Turnout for both the events was really good, especially from the freshers. There were some strong discussions on both the topics, and this was good, as nothing kills a good conversation than conformity.

Figure-25: Chai pe Charchas

OSMM

OSMM Club aims to help students realize their passion for marketing, branding, content development and advertising with a hands-on experience by running campaigns and implementing strategies that increase the reach of the student run social media avenues.

Performing Arts

PFA is an amalgamation of three strands of arts- Music, Dance and Drama. It started with the purpose to provide a fascinating platform where an individual can choose to define himself much soulfully and thoroughly every time in front of his peers and colleagues. ‘Art’ is a way by which manifestation of feelings, cultures, values and beliefs can be reflected.

However, adding 'Performing' to it makes it specific to real-time physical expression. In simpler words, Performing Arts is a source of entertainment for the BMU community where BMUians can get-together once in a while in order to rejoice in the colours of our own-created small world-BMU.

SATA

Science and Technology Appreciation (SATA) focuses on how to make people curious about science and new technologies.

Sierra

Sierra is an initiative to help channelize TEDx, MUN's, and other similar events through a single route and to impart knowledge at a global level and learn the art of diplomacy.

Event

Hult Prize is a million-dollar international level competition for social entrepreneurs. The competition receives over 100,000 applications each year, and the winner is awarded 1 million US dollars in seed capital for an original and innovative venture. Hult Prize was introduced in BML Munjal University as a "Hult Prize on Campus" competition by Kushagra Dhawan, Campus Director, Hult Prize@BMU, on October 30, 2017. The event was organised under the repertoire of events by Club Sierra in the year 2017-18. The introductory event attracted 39 potential startups within the university. The final round of Hult Prize@BMU was organised on December 2, 2017. The jury included Nita Kapoor (Harvard Business School graduate, and Mentor at Hult Prize India), Sharat Chandra (Managing Director, TelEnergy), Shaili Chopra (Business-journalist and entrepreneur), Nipun Malhotra (Founder and CEO, Nipman Foundation) and Dr Babu Lal (Executive Director, B.H.E.L.).

Figure-26: Hult Prize

🌈 Sci-Mat

Sci-Mat Club deals with Science and Mathematics. The club basically holds workshops on MATLAB and other mathematics and science related activities. The club also organizes gaming competition on the campus.

🌈 Speakeasy

The Speakeasy Club focuses on the theme of Corporate Engagement. We strive to make each participant a confident individual with a magnetic persona embellished with the corporate etiquettes and the art of soft skills.

🌈 Strokes

This club strives to bring out inner artists in students. The club has two wings - one which deals with ART and the other which deals with CRAFT.

🌈 TSEC

The Strategists and Entrepreneurship Club came into existence with the vision of creating future leaders and achieve an in-depth understanding of contemporary trends, while acting as the center

for entrepreneurial ventures under taken by its students. It provides a strong foundation upon which they can successfully establish their enterprises, while implementing their creative ideologies.

Udaan

This Club organizes workshops, debates related to women empowerment.

17. MEDICAL SERVICES

a) Medical Services at BML Munjal University

1. Medical treatment plan.

The Medical facilities at the Campus of BML Munjal University are provided free of cost to all students, faculty and staff. The plan is to attend to all medical cases, including emergencies, promptly and professionally. The medical treatment response is through a two-tier arrangement:

- a) First response at Medical Room. The University has an agreement with the VPS Rockland Hospital for setting up a primary health care unit in the University. Every case of illness or injury is attended to at the first stage by the medical staff at the Medical Room on campus. In general cases the patient is inspected by the Medical Officer /resident nurse and appropriate treatment is provided.
- b) Serious cases are referred to multi-speciality VPS Rockland Hospital at Manesar. Patients requiring specialised treatment and/or hospitalisation receive first aid at the Medical Room and are thereafter transported in our ambulance to the multi-Specialty VPS Rockland Hospital, Manesar which is located at a distance of 19 km from Campus. They are offered a 20% discount in VPS Rockland Hospital. In case of female patients, a female security guard/nurse accompanies the patient to the hospital.
- c) All students are provided with medical insurance of Rs 50,000 each, covering medical illness hospitalisation and accident illness hospitalisation.
- d) There is a monthly visit by a specialist from VPS Rockland Hospital.
- e) There is a monthly medical camp organised by the VPS Rockland Hospital.

- f) There are bi-monthly talks on health awareness by our Counsellor as well as representatives of VPS Rockland Hospital.

2. **Medical Infrastructure.**

BMU has the following medical infrastructure to handle patients:

- a) Medical room equipped for consultation, basic treatment as well as first aid and treatment of emergencies including resus station equipment, oxygen, drip etc. for stabilising the patient. It has 4 (four) beds for admitting patients.
- b) Ambulance to transport the patient promptly and safely to a nearby hospital.

3. **Resident Medical Staff.**

BMU has the following qualified and trained medical staff, resident on Campus for 24 hours round the clock care:

- a) **Resident Medical Officer** - Dr. Achla Bhatia (MBBS, PGDMLS, PGDHA, Ex. PCMS I, Regd. SMO).
- b) **Psychologist** - Dr Rupa Murghai

18. HOSTEL

BMU is a fully residential and co-educational university which has the capacity to accommodate 5000 students on its campus. Designed by world-renowned architects, HOK, USA, the 40-acre BMU campus has all the facilities and resources to ensure that you have a comfortable and enjoyable stay. The campus has separate hostels and mess for boys and girls, a first-aid centre, a chemist, an ambulance and doctor on call, cafeterias, bank/ATM, a courier service, a general store, a book shop, a sports shop, and a bus-shuttle to Gurgaon and adjoining towns. The entire campus, including the hostel is Wi-Fi enabled. The campus has been designed to seamlessly integrate academic spaces with recreational hangouts. The objective is to encourage interaction among students and foster the spirit of community living and learning.

The campus offers a slew of recreational, fitness and sporting facilities. Besides indoor sporting facilities, the campus has tennis, volleyball, basketball, and badminton courts; a gym and a cricket-cum-football field. Qualified and experienced sports instructors are on hand to oversee the sports programmes and guide budding sportspersons. The campus is always abuzz with talks, film shows, music gigs, art events, drama festivals and other cultural events.

19. MESS/CANTEEN

With students from all over India and beyond – we ensure that we are sensitive to dietary restrictions and preferences. BMU students can avail of their regular meals with a mix of North Indian and South Indian cuisine options from two messes.

Delicious: This multi-cuisine café has meal and snack options ranging from Indian to Chinese & Continental and has its own bakery. It was being run by Sodexo and is very soon going to be run by Lite Bites Food, who will be bringing in their very popular brands of Zambar & Street food from Punjab Grill.

Café Coffee Day: BMU's own Café Coffee Day outlet offers a variety of beverages and snacks. This is very soon going to be run by Lite Bites Food, who will be bringing in their very popular brand of Street Baker.

Dhaba: You will find students and often faculty too at our Dhaba, which offers tandoori style food.

Fast Food Stalls: Since the beginning of this academic year, we have brought in Lazeez Rolls & US Pizza who provide their interesting & varied fare to the students.

Mess Committee: Students, as part of the mess committee, are actively involved in managing the dining and catering on campus.

20 FINANCIALS AND AUDITED ACCOUNTS

Independent Auditors' Report

To
The Members
BML Munjal University, New Delhi

Report on the Financial Statements

1. We have audited the accompanying financial statements of **BML Munjal University** (hereinafter referred to as The 'University') which comprises of Balance Sheet as at 31st March 2018, the Income and Expenditure Account and Cash Flow Statement for the year ended on that date and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. Management is responsible for the preparation of these financial statements, which gives a true and fair view of the financial position, financial performance of the University in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed by the Institute of Chartered Accountants of India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material

misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the University's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statement dealt with by this report comply with the applicable accounting standards issued by the Institute of Chartered Accountants of India and give a true and fair view in conformity with the accounting principles generally accepted in India, in the case of:

- i) the Balance Sheet, of the state of affairs as at March 31, 2018; and
- ii) the Income and Expenditure Account, of the deficit for the year ended as on that date; and
- iii) the Cash Flow Statement for its cash flow for the year ended as on that date.

BML MUNJAL UNIVERSITY

Schedules forming part of the financial statements for the year ended March 31, 2018

SCHEDULE – 23

Significant accounting policies and notes to the financial statements

A. SIGNIFICANT ACCOUNTING POLICIES

1. Organization and nature of operations

BML Munjal University is a private, not for profit institution of higher education set up under license from Haryana Private Universities Act 2006, on 2nd May 2014, vide Gazette Notification No. 24/2014. The university includes the School of Engineering and School of Commerce offering courses for both undergraduate and post graduation.

The University is registered under section 12AA of the Income tax Act, 1961 (the 'Act') as a Charitable Body carrying out educational activity.

2. Basis of preparation

The financial statements are prepared under the historical cost convention, on accrual basis of accounting in accordance with the generally accepted accounting principles in India, and the Indian Accounting Standards as applicable.

3. Funds

The University has received donation of INR 45,000,000 towards corpus fund during the financial year.

The University reports funds as restricted if they are received with donor stipulations that limit the use of the fund. Accordingly the grants received for research and related activities are reported as Project Funds in the financial statements. The University during the year has received "Project Funds – Hero Group" of INR 135,501,150.

Donations received in the form of fixed assets are recognized in the books as Designated Funds at the cost incurred by the donor in creating/acquiring these assets.

4. Fixed assets, Depreciation and Impairment

Tangible assets

Fixed assets are stated at cost or revalued amount less accumulated depreciation and impairment losses. Cost comprises the purchase price

BML MUNJAL UNIVERSITY

Schedules forming part of the financial statements for the year ended March 31, 2018

SCHEDULE – 23

and any attributable costs of bringing the assets to their working condition for their intended use.

Land & Building provided by Sponsoring Body M/s BML Educorp Services for the benefit of BML Munjal University is not recorded in the financial statements. The University has the right to use of land and building being owned by the Sponsoring Body.

Intangible assets

Computer software which is not an integral part of the related hardware is classified as an intangible asset.

Depreciation

Depreciation and amortization on fixed assets is provided as per the provisions/rates prescribed under section 32 of Income Tax Act, 1961.

Depreciation on the assets received as donation is appropriated out of the related Designated Funds at the end of each reporting period.

Impairment

The University assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the University estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the income and expenditure account. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

5. Capital work in progress

Capital work in progress includes advances paid to acquire fixed assets and the cost of fixed assets that are not ready for the intended use as at the Balance Sheet date.

3

BML MUNJAL UNIVERSITY

Schedules forming part of the financial statements for the year ended March 31, 2018

SCHEDULE – 23

6. Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments, if any, are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost.

7. Liabilities

Long term liabilities on account of security deposit is being reported as “Current Liabilities” in the financial statements. Other liabilities are reported as “current” and “non-current” depending on the short term or long term nature of the liability.

8. Revenue recognition

Student Fee

Income from fees received from students is recognized over the period of instruction.

Admission fee

Income from non - refundable admission fees received from the students is recognized as income in the year of receipt

Food and Room Charges

Charges for food and room received from students are recognized over the period of instruction.

Donation

Income from donation is recognized on cash basis.

Investment Income

Interest income from investment is recognized on a time proportion basis taking into account amount outstanding and the rate applicable. Profit/loss on sale of investments is computed with reference to their actual cost.

BML MUNJAL UNIVERSITY

Schedules forming part of the financial statements for the year ended March 31, 2018

SCHEDULE – 23

9. Retirement Benefits

Expenses and liabilities in respect of employee benefits are recorded in accordance with Accounting Standard 15 Employee Benefits (Revised 2005).

a) Provident fund

All the employees are entitled to receive benefits under the provident fund, which is a defined contribution plan, in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952. Both, the employee and the employer make monthly contributions to the plan at a predetermined rate of the employees' basic salary. The Company has no further obligations under the plan beyond its monthly contributions. These contributions are made to the Regional Provident Fund Commissioner.

b) Gratuity

Gratuity is a post employment defined benefit plan. The liability recognized in respect of gratuity is the present value of the defined benefit obligation at the balance sheet date less the fair value of plan assets, together with adjustments for unrecognized actuarial gains or losses and past service costs. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to the profit and loss account in the year in which such gains or losses arise.

The University contributes Funds to the approved Employee Gratuity Trust for the sole purpose of provision of a gratuity to its employees. The University contribution to the Trust Funds as envisaged under Part C of the Fourth Schedule of the Income Tax Act, 1961 is as per the independent actuarial valuation of gratuity liability.

c) Compensated absence

The University measures and recognizes the liability in respect of the expected cost of accumulating compensated absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the balance sheet date.

BML MUNJAL UNIVERSITY

Schedules forming part of the financial statements for the year ended March 31, 2018

SCHEDULE – 23

10. Provisions & Contingent liabilities

The University creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. Disclosure for a contingent liability is made when there is a present obligation that may, but probably will not, require an outflow of resources. Disclosure is also made in respect of a present obligation as a result of past event that probably requires an outflow of resource, where it is not possible to make a reliable estimate of the outflow. Where there is a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

11. Borrowing Costs

Borrowing costs directly attributable to the acquisition and construction of qualifying assets are added to the cost upto the date when such assets are ready for their intended use. The other borrowing costs are recognized as expense in the period in which these are incurred.

12. Foreign Exchange Transactions

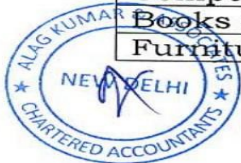

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction. At the year-end, monetary items denominated in foreign currencies are converted into rupee equivalent at the year-end exchange rates. All exchange differences arising on settlement/conversion of foreign currency transactions are recorded in the Income & Expenditure account.

B. NOTES TO THE FINANCIAL STATEMENTS

1. Fixed assets

As stipulated in the clause 5 of the Haryana Private Universities Act 2006, the Sponsoring Body had provided for the following fixed assets to the University.

PARTICULARS	AMOUNT
Computer & Equipments	19,681,649
Books & Journals	2,418,273
Furniture & Fixture	23,726,026

BML MUNJAL UNIVERSITY

Schedules forming part of the financial statements for the year ended March 31, 2018

SCHEDULE – 23

2. Advance from Sponsoring Body

Sponsoring Body had given an advance of INR 900,952,764 to the University. The amount is repayable on demand.

3. Employee benefits

Provident Fund Contribution

The University has contributed INR 6,438,062 as employer share to the provident fund during the year.

Gratuity

Gratuity liability under the 'Payment of Gratuity Act, 1972' is accrued and provided for on the basis of an actuarial valuation made as at March 31, 2018.

Assumptions	2018	2017
Discount rate	7.70%	7.40%
Expected return on assets	NIL	NIL
Withdrawal rate	5% to 1%	5% to 1%
Salary increases	7%	7%
Mortality	-----IALM (2006-08)----	

Compensated Absences

Provision for short-term compensated absences, where the absences are expected to occur within twelve months after the end of the period in which the employees render the related employee service is made based on un-availed leaves outstanding as on the balance sheet date.

BML MUNJAL UNIVERSITY

Schedules forming part of the financial statements for the year ended March 31, 2018

SCHEDULE – 23

4. The University has identified the micro and small enterprises based upon the information available, and there are no dues outstanding to these micro and small enterprises as at March 31, 2018. Further, no interest during the year has been paid or payable under the terms of the MSMED Act, 2006.

Annexure-7: Details of faculty publications

Publication in Journals

S. No	Author	Title of the Paper	Name of the Journal	Year	Indexed (Scopus/Web of Science/Any)
1	Brij Bihari Dubey	Incentive Based Efficient Data Availability Technique for Vehicular Ad-hoc Networks	Springer Journal of Wireless Networks	2017	SCI journal also indexed in indexed in ACM digital library
2	Akhlaq Husain	Least-squares spectral element preconditioners for fourth order elliptic problems	Computers and Mathematics with Applications	2017	Scopus
3	Akhlaq Husain	Exponentially accurate spectral element method for fourth order elliptic problems	Journal of Scientific Computing	2017	Scopus
4	Akhlaq Husain	Spectral element methods for three-dimensional elliptic interface problems	Computer Methods in Applied Mechanics and Engineering	2017	Scopus
5	Dr Deepti Sharma	Non-Native English Speaker Readability Metric: Reading Speed and Comprehension	Journal of Applied Mathematics and Physics	2017	Web of Science
6	Dr Deepti Sharma	PROCRASTINATION VERSUS PLANNED PROCRASTINATION – A STUDY REPORT	International Journal of Humanities and Social Sciences	2017	Thomson Reuters

7	Dr Deepti Sharma	Feedback for Effective Learning: Stumbling Blocks/ Learning Barriers in Communication between Learning and Teaching	American Journal of Humanities and Social Sciences	2017	DOAJ
8	Dr Deepti Sharma	AN EMPIRICAL RESEARCH ON MULTI-DISCIPLINARY LEARNING CAPABILITY THROUGH MNEMONICS	International Journal of Research in Humanities, Arts and Literature	2017	UGC
9	Surya Prakash	Risk analysis and mitigation for perishable food supply chain: a case of dairy industry	Benchmarking: An International Journal,	2017	Web of science/Scopus
10	Surya Prakash	Embedding risk in closed-loop supply chain network design: Case of a hospital furniture manufacturer",	Journal of Modelling in Management,	2017	Web of science/Scopus
11	Surya Prakash	A critical analysis of supply chain risk management content: a structured literature review	Journal of Advances in Management Research	2017	Web of science/Scopus
12	Surya Prakash	Prioritisation and assessment of collaboration decisions for supply chain with risk considerations using TOPSIS	International Journal of Advanced Operations Management	2017	Web of science/Scopus
13	Tabish Rasheed	Investigations on the frontier orbitals of FeFn (n = 1-6) superhalogen complexes and prediction of novel salt series Li-(FeFn)	Journal of Fluorine Chemistry	2017	Indexed (SCI)

14	Bipin Singh	A novel method to calculate relative free energy of solvation and binding of similar molecules	Comp. Phys. Commun.	2017	Scopus, Web of Science
15	Bipin Singh	Facilitating conservation	Science	2017	Scopus, Web of Science
16	Eswara Krishna Mussada	Combined Artificial Bee Colony Algorithm and Machine Learning Techniques for Prediction of Online Consumer Repurchase	Neural Computing and applications	2017	Science Citation Index
17	Eswara Krishna Mussada	Fuzzy Delphi and hybrid AH-MATEL integration for monitoring of paint utilization	Advances in Production Engineering & Management	2017	Science Citation Index
18	N.Ch. Kaushik	Influence of applied load on abrasive wear depth of hybrid Gr/SiC/Al-Mg-Si composites in two body condition,	Journal of Tribology-Transactions of ASME	2017	Web of Science
19	N.Ch. Kaushik	Effect of applied pressure on high stress abrasive wear behavior of hybrid Al-Mg-Si composites,	IMEchE Part J: Journal of Engineering Tribology,	2017	Web of Science
20	N.Ch. Kaushik	High stress abrasive wear behaviour of Al-Mg-Si hybrid composites using regression analysis,	Industrial Lubrication and Tribology	2017	Web of Science

21	Dr. Sanjay Kashyap	Metal Immiscibility Route to Synthesis of Ultrathin Carbides, Borides, and Nitrides	Advanced Materials	2017	Scopus
22	Dr. Sanjay Kashyap	Thermal stability and grain boundary strengthening in ultrafine-grained CoCrFeNi high entropy alloy composite	Materials & Design	2017	SCI
23	Dr. Sanjay Kashyap	Novel coalescence-driven grain-growth mechanism during annealing/spark plasma sintering of NiO nanocrystals	Journal of the European Ceramic Society	2017	SCI
24	Dr. Sanjay Kashyap	Development of high-strength high-temperature cast Al-Ni-Cr alloys through evolution of a novel composite eutectic structure	Metallurgical and Materials Transactions A	2017	SCI
25	Neha Yadav	Metaheuristic Optimization methods for approximate solving of singular boundary value problems	Journal of Experimental and Theoretical Artificial Intelligence	2017	SCI
26	Suchitra Rajput	Copper doped modified ZnO nanorods to tailor its light assisted charge transfer reactions exploited for photo-electrochemical and photo catalytic application in environmental remediation	Applied Physics A- Materials Science and Processing	2017	DOI: https://doi.org/10.1007/s00339-017-0806-8
27	Suchitra Rajput	High temperature and low field regime vortex phase diagram of in-situ prepared stainless steel sheathed MgB ₂ tapes	Cryogenics	2017	DOI: https://doi.org/10.1016/j.cryogenics.2017.01.010

28	Sumit Roy	Multi-objective optimization of the performance-emission tradeoff characteristics of a CRDI coupled CNG diesel dual-fuel operation: A GEP metamodel assisted MOGA endeavour	Fuel, Elsevier	2017	SCI
29	Sumit Roy	ANN meta-model assisted MOPSO application in an EPA Tier-4 constrained emission-performance tradeoff calibration problem of a hydrogen-diesel-EGR dual fuel operation	Fuel, Elsevier	2017	SCI
30	Ziya Uddin	The steady MHD flow of nano-fluids over a rotating porous disk in the presence of heat generation/absorption: A numerical study using PSO	Journal of Applied Fluid Mechanics	2017	SCI
31	Ziya Uddin	Computational modeling of heat transfer in rotating heat pipes using nanofluids: A numerical study using PSO	International Journal of Thermal Sciences	2017	SCI
32	Dr. Anil Kumar	Developing Textile Entrepreneurial Inclination Model by Integrating Experts Mining and ISM-MICMAC	International Journal of Production Research	2017	Category 'A' in ABDC List, SCI & Scopus
33	Dr. Anil Kumar	Measuring and Improving Customer Retention at Authorized Automobile Workshops after Free Services	Journal of Retailing and Consumer Services	2017	Category 'A' in ABDC List & Scopus

34	Dr. Anil Kumar	Role of Social Media in Polio Prevention: An Integrated Delphi and DEMATEL Method	Kybernetes	2017	SCI Indexed & Scopus Indexed
35	Dr. Anil Kumar	Evaluating Innovation Capabilities of Real Estate Firms: A Combined Fuzzy Delphi and DEMATEL Approach,	International Journal of Strategic Property Management	2017	Category 'B' in ABDC List, SSCI & Scopus Indexed
36	Dr. Anil Kumar	Using DEA Comparative Performance Efficiency Measurement of Indian Airports	International Journal of Strategic Decision Sciences	2017	Category 'B' in ABDC List
37	Dr. Anil Kumar	Predicting Changing Pattern: Building Model for Consumer Decision Making in Digital Market	Journal of Enterprise Information Management	2017	Category 'B' in ABDC List, SSCI & Scopus Indexed
38	Dr. Anil Kumar	Decision Framework for Evaluating the Human Resource Related Soft Dimensions in Green Supply Chain Management Implementation	Annals of Operations Research	2017	Category 'B' in ABDC List, SSCI & Scopus Indexed
39	Chetan Radder and B S Satyanarayana	Simulation and analysis on device parameter variations of single junction hydrogenated amorphous silicon solar cell	Materials Today: Proceedings XX (2017)	2017	SCI
40	Dr. Anil Kumar	Profiling Enablers of Quality of Work Life in Power Sector Using Total Interpretive Structural Modeling (TISM) Approach,	Benchmarking: An International Journal	2017	Category 'B' in ABDC List, SSCI & Scopus Indexed

41	Surya Prakash	“Closed-loop supply chain network design and modelling under risks and demand uncertainty: An integrated robust optimization approach”	Annals of Operations Research	2018	SCI
42	Bipin Singh	Research resolutions (Letter-Non-Research)	Science	2018	Scopus, Web of Science
43	Eswara Krishna Mussada	Processing Methods of Silicon to its Ingot: a Review	Silicon	2018	Science Citation Index
44	Eswara Krishna Mussada	Surface hardenability studies of the die steel machined by WEDM	Materials and Manufacturing Process	2018	Science Citation Index
45	N.Ch. Kaushik	Abrasive grit size effect on wear depth of stir cast hybrid Al-Mg-Si composites at high stress condition,	IMechE Part J: Journal of Engineering Tribology,	2018	Web of Science
46	Mukesh Mann	Bio-Inspired Metaheuristics: Evolving and Prioritizing Software Test Data	Applied Intelligence	2018	SCI
47	Mukesh Mann	test data Generation using Optimization algorithm: An Empirical Evaluation	Soft Computing: Theories and Applications Advances in Intelligent Systems and Computing	2018	Springer

48	Neha Yadav	A length factor artificial neural network method for the numerical solution of the advection dispersion equation characterizing the mass balance of fluid flow in a chemical reactor	Neural Computing and Applications	2018	SCI
49	Sumit Roy	Characterization of performance-emission indices of a diesel engine using ANFIS operating in dual-fuel mode with LPG	Heat and Mass Transfer, Springer	2018	SCI
50	Sumit Roy	Isolation of the Parametric Effects of Pre-Blended Fuel on Low Load Gasoline Compression Ignition (GCI)	Fuel, Elsevier	2018	SCI
51	Dr. Payal Kumar	Exploring incongruence in mentoring dyads in Indian firms: The protégé perspective	South Asian Journal of Human Resources Management, SAGE, 5(2)	2018	C in ABDC rankings
52	Dr. Payal Kumar	An exploratory study on protégé perception of faculty mentoring in India	Indian Journal of Industrial Relations	2018	C grade journal as per ABDC ranking
53	O. S. Panwar, A. K. Kesarwani, S. R. Dhakate, B. S. Satyanarayana	Graphene synthesized using filtered cathodic vacuum arc technique and its applications	Vacuum (Elsevier)	2018	SCI
54	Chetan Radder & B S Satyanarayana	FDTD based Plasmonic Light Trapping Analysis in Thin Film Hydrogenated Amorphous Silicon Solar Cells	International J of Renewable Energy Research	2018	SCI

55	Nirupama M.P, Amarnath Bheemaraju, O. S. Panwar, B. S. Satyanarayana	Nickel Nanoparticle Arrays Prepared Using Nanosphere Lithography	Int. Journal for Research in Appl. Sci. & Engineering Technology (IJRASET)	2018	SCI

Publication in Conferences

S.N.	Author	Title of the Paper	Name of the Conference	Date & Year	Conference Held/ Place	Conference Type
1	Atul Mishra	Study and Proposal of Probabilistic Model for SIP Server Overload control	SPRINGER "Next Generation Computing Technologies(NGCT-2017)	30 th October 2017	UPES Dehradun	International
2	Surya Prakash	Modelling the barriers for mass adoption of EVs in India	ICIEA 2018	26-28 April 2018	National University of Singapore (NUS), Singapore	International
3	Anubhav Agrawal	Fuzzy logic controlled variable frequency drives	ICHSA 2018	February 7-9 2018	BML Munjal University	International
4	N.Ch.Kaushik	Material removal mechanism of hybrid Grp/SiCp/Al-Mg-Si composites during high stress abrasive wear condition	ASIATRIB 2018	17-20 September 2018	Kuching, Malaysia	International
5	N.Ch.Kaushik	Effect of rotational speed on dimensional wear coefficients of solution treated Al-Mg-Si and Al-Zn alloys tested in abrasion condition	ASIATRIB 2018	17-20 September 2018	Kuching, Malaysia	International
6	Nandita Choudhury	‘Language Learning and Employability: An Indian Perspective’	The IAFOR International Conference on Language Learning	26 – 28 February 2017	Dubai Festival City, Dubai	International

7	Neeraj Kr. Sharma	Object Oriented Finite Element Analysis of Thermal Expansion Behavior of Metal Matrix Composites	International Conference on Recent Development in Mechanical and Industrial Engineering (ICRDMIE)	26 March 2017	Delhi/India	International
8	Neeraj Kr. Sharma	Object Oriented Finite Element Modeling of Mg-SiC Composites	Emerging Trends in Applied Materials Science and Surface Engineering	30 January 2018	BML Munjal University	National
9	Rajesh Yadav	Secure D2D Communication in 5G Networks	Proceedings of the World Congress on Engineering 2018	4-6 July 2018	London,UK	International
10	Rajesh Yadav	5g Nano core Technologies	Recent Advances in Engineering Science and Management, Institution of Electronics and Telecomm. Engineers	26 November 2017	Chandigarh, India	International
12	Rajesh Yadav	Challenges and Evolution of Next Generation Wireless Communication	International Conference on Communication Systems and App.	15-17 March 2017	Hong Kong	International
13	Rajiv Dey	Fast adaptation model reference adaptive control	ICPCES 2017	2017	MNNIT Allahabad	International

19	Dr. Sanjay Kashyap	Real-time nucleation and growth studies of protein template iron oxide nanoparticles using liquid cell TEM holder	Emerging Trends in Applied Materials Science and Surface Engineering (ETAMS-2018)	29-30 January 2018	BML Munjal University	National
20	Goldie Gabrani	Cloud Providing on Demand Storage Services Enforcing Techno Commercial Service Level Agreement for an improved QoS	International Conference on Computing Networking and Informatics (ICCNI), Covenant University	29 - 31 October 2017	Covenant University, Nigeria	International
21	Goldie Gabrani	Hindi Word Sense Disambiguation using variants of Simplified Lesk measure	International Conference iSAI-NLP 2017	27-29 August 2017	Thailand	International
22	Goldie Gabrani	Improving Patient Health Care Using Machine Learning Tools and Technologies	Computing for Sustainable Global Development, technically sponsored by IEEE Delhi Section	01 - 03 March, 2017	Bharati Vidyapeeth, New Delhi	International
23	Goldie Gabrani	Real Time Sensor Grid based Secured Health Care Monitoring	IEEE Sponsored SAI international conference	July 2017	London	International

25	Dr. Surya Prakash	Prioritizing the Critical Success Factors for Sustainable Cold Chain Practices in Indian Ice-Cream Industry	NCITST	January 2018	Bikaner, Rajasthan	National
26	Dr. Surya Prakash	Prioritizing the Critical Success Factors for Sustainable Cold Chain Practices in Indian Ice-Cream Industry	NCITST	January 2018	Bikaner, Rajasthan	National
27	Neha Yadav	A comparative study of Machine Learning Algorithms for prior prediction of UFC Fights	ICHSA 2018	07-09 February 2018	BML Munjal University	International
28	Neha Yadav	Numerical Solution of Boundary Value Problems Using Artificial Neural Networks and Harmony Search	ICHSA 2017	22-24 February 2017	Technalia University, Spain, Bilbao	International
31	O.S.Panwar	Graphene synthesized using filtered cathodic vacuum arc technique and its applications	Int. Conf. On Thin Films (ICTF2017)	2017	CSIR-NPL, New Delhi-110012	International
32	O.S.Panwar	Study on filtered and unfiltered deposition of amorphous carbon nanocrystalline thin films	Int. Conf on Thin Films (ICTF 2017)	13-17 November 2017	CSIR-NPL, New Delhi-1100012 53	Interanational

35	Amarnath Bheemaraju, O. S. Panwar, Kishan Pal Singh, Divya Choudhary and B. S. Satyanarayana	Synthesis of graphene oxide for water purification	Int. Conf on Thin Films (ICTF 2017)	13-17 November 2017	CSIR-NPL , New Delhi-110012	International
37	O.S.Panwar	Wet ability property of CNT-graphene-like hybrid films deposited by microwave plasma enhanced chemical vapor deposition technique	Int. Conf on Thin Films (ICTF 2017)	13-17 November 2017	CSIR-NPL , New Delhi-110012	International
38	O.S.Panwar	BMU Approach to Sustainable Development and Make in India with a focus on New Materials and Light Weighting	One day symposium on Green Initiative & Challenges in Light Weight	07 April 2017	BML Munjal University	National
40	O.S.Panwar	Field emission properties of multiwalled carbon nanotube-graphene hybrid films deposited by microwave plasma enhanced chemical vapor deposition technique	Emerging Trends in Applied Surface Science and Surface Engineering	29-30 January 2018	BML Munjal University	National, Invited talk

42	R. K. Tripathi, O. S. Panwar, Ishpal Rawal, A. K. Srivastava and B. C. Yadav	Effect of ambient gas on the nanomechanical properties of amorphous carbon embedded with nanocrystallites deposited using filtered anodic jet carbon arc technique	Emerging Trends in Applied Surface Science and Surface Engineering	29-30 January 2018	BML Munjal University	National
43	O.S.Panwar	Tuning of Tribological Properties of Nanocrystalline Carbon Thin Films by Magnetic Filtration in Cathodic Jet Carbon Arc Depositions	ETAMS	29-30 January 2018	BML Munjal University	National
44	Amarnath Bheemaraju, O. S. Panwar, Tabish Rasheed	Comparison of Field effect transistor characteristics of n-type organic semiconductors	National Conf. on Emerging Trends in Applied Surface Science and Surface Engineering	29-30 January 2018	BML Munjal University	National
45	Chetan Radder, B.S. Satyanaryana, M.P. Nirupama and O.S. Panwar	Simulation Study of Multiple Nano Particles based Plasmonic Effects and a a-Si:H PIN Device and Creation of Indigenous Infrastructure for Development of Combined sensors and Solar Cells	National Conf. on Emerging Trends in Applied Surface Science and Surface Engineering	29-30 January 2018	BML Munjal University	National

48	M.P. Nirupama, Ashok Bhattacharya, B. S. Satyanarayana, O. S. Panwar and Menka Yadav	Growth and Simulation of nanocarbon based Field Assisted Electron Emitters Arrays and Establishment of Indigenous Vacuum Nanoelectronics Characterization Facility for Development of Electrical Propulsion for Nanosatellites	National Conf. on Emerging Trends in Applied Surface Science and Surface Engineering (ETAMS)	29-30 January 2018	BML Munjal University	National
49	O.S.Panwar	Studies on Morphology and OFET Characteristics of N-type Organic Semiconductors Based on Naphthalenediimide compounds	22nd CRSI National Symposium in Chemistry (CRSI-NSC-22)	1-4 February 2018	Pt. Ravishankar Shukla University, Raipur, Chhattisgarh,	National
50	Suchitra Rajput	Tapes of MgB ₂ superconductor: Vortex Dynamics and activation energy	Emerging Trends in Applied Materials Science and Surface Engineering	January 2018	BML Munjal University	National
51	Sumit Roy	Performance Emission Characterization of a LPG-diesel Dual Fuel Operation: A Gene Expression Programming Approach	Harmony search, Soft Computing and Applications	7-9 February 2018	BML Munjal University, Gurgaon	International

52	Sumit Roy	Evaluation of emission characteristics of green diesel in a single cylinder CI engine	Power Electronics, Intelligent Control and Energy systems (ICPEICES-2018)	22-24 October 2018	DTU, Delhi, India	International
53	Sumit Roy	Evaluation of emission and performance characteristics of different biodiesel blends with varying FIP on a single cylinder CI engine	Power Electronics, Intelligent Control and Energy systems (ICPEICES-2018)	22-24 October 2018	DTU, Delhi, India	International
54	Sumit Roy	Effect of methanol on performance-emission spectra of a spark-ignition engine	Power Electronics, Intelligent Control and Energy systems	22-24 October 2018	DTU, Delhi, India	International
55	Sumit Roy	Experimental investigation and ANN modelling of performance-emission parameters of a single cylinder CI engine fueled with ethanol-diesel blends	Power Electronics, Intelligent Control and Energy systems (ICPEICES-2018)	22-24 October 2018	DTU, Delhi, India	International
56	TAMANNA PURI	ENERGY-EFFICIENT DELAY-AWARE PREEMPTIVE VARIABLE-LENGTH TIME SLOT ALLOCATION SCHEME FOR WBASN (eDPVT)	Comm., Computing and Networking (ICCCN)	29-30 March 2018	NITTTR, Sector -26, Chandigarh	International

57	Dr. Surya Prakash	Prioritizing the Critical Success Factors for Sustainable Cold Chain Practices in Indian Ice-Cream Industry	NCITST	January 2018	BIKANER,RAJ ASTHAN	National
57	Dr. Payal Kumar	GDO Plenary Session	Academy of Management	August 2017	Atlanta, USA	International
58	Dr. Swetasree Roy	Changing Role of Youth in Collective Action: Evidence from India.	University College Seminar, Zayed University, Abu Dhabi	April 2017	Zayed University, Abu Dhabi	International
