# VISION AND MISSION

---

## **Vision**

BML Munjal University seeks to nurture ethical leaders who are skilled, knowledgeable and have the life skills required for leading their organization to success.

The University shall seek the advancement and dissemination of practically oriented knowledge benchmarked with the best global standards.

## **Mission**

BML Munjal University aims to be a leading university for the quality and impact of its teaching, research and linkages with major stakeholders. The focus of the university is to find creative solutions to problems through application of knowledge. The university aims to create a talented community of students and faculty who excel in teaching, learning and research, in a creative stimulating environment. The university will collaborate with other institutions for development of science, technology and arts in global context.

## YEAR AT A GLANCE

---

The university continues to embark upon its academic excellence on the pattern of established institutes of excellence in the country.

The academic year 2018-19 witnessed 324 students have receiving degrees across five B. Tech programs and 93 students receiving degrees in BBA, B.Com (Hons) and MBA programs at the 4th Annual Convocation held on August 31, 2019.

The School of Engineering and Technology introduced a new, innovative and a student-centric B. Tech curriculum with lots of flexibility in choice of courses, more than 50% experiential learning, several industry interventions and compulsory international immersion programmes. The School of Management also revised BBA and MBA curricula. With the addition of School of Law (SoL), BBA-LLB(Hons) and BA-LLB(Hons) integrated programmes have started. These programmes also have interdisciplinary courses being taught by academicians of repute as well as experts from the field. All these curricula will be taught in a blended learning environment. Accordingly, a digital infrastructure has been created throughout the campus so that students can learn from anywhere anytime.

Two new departments, namely, Department of Applied Sciences and Department of Languages and Liberal Arts, have been established for better academic delivery.

A Centre for Advanced Materials and Devices to conduct research in the area of materials characterization, thin films and device fabrication was created.

During 2018-19, faculty published 44 research papers in peer reviewed high impact journals, 62 papers in conferences and 10 books and book chapters. Two conferences and 8 Faculty Development Programmes were organized.

This year saw an improvement in participation of faculty in sponsored research and consultancy projects. Five extra-mural projects amounting to Rs. 1.8 crores were completed. Two externally funded projects amounting to Rs. 86.00 lakhs and three consultancy projects with an outlay of Rs. 30.00 lakhs are in progress. Students and faculty also filed 32 patents.

At present there are 21 PhD fellows. From the current academic year, the PhD fellowships has been enhanced to Rs 40.000 per month. A professional development grant for all PhD fellows has also been started.

During 2018-19, an Institute of Innovation and Entrepreneurship, I2E was set-up. The institute already had a good start, with Mr. George Goh, as its founding Honorary Chairman. He has donated a Professorial Chair in Innovation and Entrepreneurship amounting to USD 50000 per annum. The I2E has the Centre for Inclusive Innovation supported by Imperial College London as its constituent, and will house a state of the art incubator, named as Propel. It will assist young students in various mentorship activities and also enable them to network Legal Advisors, Venture Capitalists, Angel Investors, Financial Institutions, Marketing Agencies and Technical Experts.

The university continues to expand its relationship with a number of industries, research organizations, and academic institutions. In 2018-19, Aston University, University of Warwick and Loughborough University from UK, Kent State University; St. Marys College of California, University of Michigan from USA, North South University, Bangladesh; Carleton University, Canada, University of Salerno, Italy; University of Edger, Norway, and Tribhuvan University, Nepal, were added to the list. The new industry partners added were Microsoft, Sabudh Foundation and Ativitti AI Pvt Limited and Luthra and Luthra Partners.

During this year, several corporate experts from industries and foreign universities visited the university to deliver expert lectures and had interactions with the faculty and students. A number of leadership talks were also organised in the university. A few to name: Arjuna awardee Mr. Akhil Kumar,

---

---

Gen. V.P. Malik and Olympic gold medallist Mr. Abhinav Bindra.

An experience centre, named after our beloved Dr. Brij Mohan Lall Munjal ji was inaugurated on 19th Nov 2018, which is celebrated as the Founder's Day. On this day, the Hero MotoCorp North Block was also formally inaugurated. This academic block houses the School of Law, faculty cabins for 100 faculty members, classrooms, laboratories and the Centre for Advanced Materials and Devices.

An Executive Education Centre was established which added to the world class infrastructure of the University. The Centre is equipped with three state of the art hubs having tele-presence facility, and many discussion and meeting rooms. During 2018-19, the university conducted three executive education programmes, Hero MBA, Women in Leadership and Hero Fin Corp Ivy League programme with an outlay of more than Rs. 2.5 Crores. Currently, in addition to these programmes, two new programmes (with a total outlay of more than Rs. 3.2 Crores), namely, OMAXE Graduate Engineer Trainee programme and Rane NSK Young Manager Programme are also underway.

A new Biz lab was created with the support of AIMA. The lab is equipped with simulations containing pedagogical elements to help student explore, navigate, and comprehend more information about a dynamic business system.

In a move to automate several processes across functions, an Enterprise Resource Planning (ERP) system covering Student Lifecycle Management, Financials, Materials and Asset management, Human Capital Management and Payroll is being implemented.

As the university gives huge importance to the pastoral care, a dedicated students' Wellness Centre has been created to promote holistic healthy lifestyles and to contribute towards psycho-social and socio-cultural mental health for all on the campus.

A Career Guidance and Development Center was established to guide the students on various career options. The aim of this centre is to provide support on campus placements, practice school, career counselling and career development of students.

The year 2018-19 saw 83% placements of eligible students in School of Engineering and Technology and more than 90% percent placements in School of Management. Many of our students opted for higher studies and other careers. This year, more than 150 recruiters from all sectors visited our campus. The average salary packages went up to 4.6 lakhs for B.Tech. and Rs. 7.9 lakhs for M.B.A. students, whereas for B.Com/BBA, it remained low at Rs. 3.00 lakhs per annum.

The university encourages students to enhance their personalities through participation in various technical, sports, cultural and social activities. There are 22 student clubs in BMU, each headed by a faculty advisor.

In 2018-19, various events such as coding competitions, hack BMU, machine learning workshops, NX 10 design workshops, ANSYS simulation workshops, IC engine workshops, Simscale sponsored workshops, and SAE Supra events were organized. The students of Automobile Club participated in the national Eco kart championship. Other events such as Model-UN, Hult prize, Money Muffin, Masterchef, Grappling tournament, Chai-pe-charcha, Daan Utsav, and many others were also organised by the respective clubs.

Nandit Mehta won the first prize in HackMIT competition at MIT, USA for best use of DocuSign's eSignature API.

Our students also participated in various annual sports events outside the university and won prizes. The university team won the first position in Hero's Challenge 2018 Cricket competition and also in Kabaddi held in October 2018. Harjeev Singh of BBA won first position in Badminton and Sreevatsa

---

---

of B.Tech won first position in Tennis competition in Breeze fest organised by Shiv Nadar University.

The university was in the news for most of 2018-19 for earning awards and appreciation. The university won,

- National Employability Award for being amongst the top 10% campuses nationally (Engineering Colleges) by Aspiring Minds
- Best Emerging Higher Education Institute in the North at the 9th Annual Indian Education Awards organised by Zee Business, Economic Times & Entrepreneur Media
- Best Emerging University of the year and the Emerging B-School of the year (north) at 12th Edu-Shine Excellence Awards 2019

The BW Education Leadership Summit Award for the Industry-Academia interface in the Higher Education Institute category.

Our faculty and staff also earned awards and recognitions. These include,

- Akshay Munjal, Entrepreneur of the Year; Service Business Education
- Dr. Ashish Bhardwaj, Cyber Sentinel 2019 Award
- Dr. Payal Kumar, Andre Delbecq and Lee Robbins MSR retreat Scholarship,
- Re-Imagine Education Certificate to Dr. Vishal Talwar, Dr. Jaskiran Arora and Dr. Rik Paul,
- Dr. AK Prasada Rao, Outstanding reviewer award by Acta Materialia and Scripta Materialia.

The university also recognized the contributions made by awarding faculty towards their excellence in teaching, research and mentoring. During 2018-19, the awardees were Dr. Ratna Sanyal, Dr. Subaran Roy, Dr. Sanjay Kashyap, Dr. Sumit Roy and Ms. Rupa Murghai. Further, Dr. Abhimanyu Rana and Dr. Sangita Choudhary were rewarded with Rs. 1.00 Lakh each for research publications in Tier 1 and ABDC journals respectively.

During the year, the BMU Alumni Association and the Alumni board was also established to strengthen our bond with the alumni. The first alumni meet was held in April 2019 to recognize the efforts of our newly baptised alumni. The university continues to embark upon its academic excellence on the pattern of established institutes of excellence in the country.

## VICE CHANCELLOR'S MESSAGE

---

The BMU has traversed a long way in the last 5 years and has established its name through state-of-the-art infrastructure, quality students, highly qualified faculty, innovative pedagogy, focused research and development, and distinctive industrial and foreign institutions partnerships. We are living in the Industry 4.0 era. The technologies such as Artificial Intelligence and Machine Learning, Big Data Analytics, Cloud Computing, Internet of Things, Robotics, Automation, 3-D Printing etc., will define the future generations. Each one of us, irrespective of any academic discipline, must be proficient in these technologies to create a smarter world and we would provide that platform to enable our students to take the leap forward.

**Manoj K. Arora**  
Vice Chancellor

Therefore, we have redefined the academic programmes as well as the academic curricula as per the needs of current technological advancements and industrial revolution. The face to face teaching and online learning will happen in a blended learning environment. We have suitably embedded popular online courses delivered by faculty of foreign universities in the curricula. Adoption of fractional credit system will allow students to have education, training and certification in a seamless manner, which will also provide many opportunities to students to work on live problems and case studies, industrial visits, internships, engagement in research projects, outside classroom activities and international immersion programmes.

Thus, we continue to deliver our academic programmes with a unique blend of national and international perspectives, based on sound fundamentals and strong experiential learning.

The year 2019-20 is going to be a very exciting year for our university. We have started new academic programmes, namely, BA-LLB (Hons), and BBA-LLB(Hons). We have also introduced specialisations in all our B. Tech Programmes in the School of Engineering and Technology. These are; Cyber Security, and Data Sciences and Artificial Intelligence, Automation and Robotics, and Automobile Engineering, and Internet of Things.

We have further strengthened our industry engagement and created next generation relevant courses by not only expanding the existing labs and courses but by starting new ones.

Our executive education programmes in Women in Leadership and MBA, for Hero MotoCorp continue to be one of the most sought after programmes. We have plans to expand these to participation from other industries. We intend to launch a number of other executive education programmes for industry professionals in all areas of Management, Engineering, Science and Technology. In this regard, we are collaborating with several partners from both India and abroad.

Most of our faculty members at BMU have doctorate degrees and postdoctoral experiences from foreign and Indian universities and continue to work on cutting edge research problems. We aim to create a research and enterprise culture at the campus through increased research funding and industry collaborations; from government agencies and joint research with foreign institutions. The faculty and students have published many research papers in international & national journals as well as conferences, and have also filed patents. This clearly shows our intent to promote research and innovation.

Our students have also excelled in co-curricular and sports activities, and have been involved in many social and community services through clubs and technical societies.

As we strive towards academic excellence and establish our name not only in India but the world, I have high hopes from our students, faculty, alumni, our industry, and international partners. I urge them all to team with me in our pursuit for brilliance.

## FACULTY & STAFF

### FACULTY MEMBERS

#### SOET

S. No	Name of the Employee	Designation	Qualification	Specializations
1	Manoj K Arora	Vice Chancellor & Professor	Ph.D.	Geospatial Engineering
2	Sudip Sanyal	Professor & Director-CSE	Ph.D.	Artificial Intelligence, Machine Learning and Information Retrieval
3	Vinayak Kalluri	Associate Professor & Associate Dean-SOET	Ph.D.	Product Design, Additive Manufacturing
4	Ratna Sanyal	Professor	Ph.D.	Software Engineering, Natural Language Processing
5	Goldie Gabrani	Professor	Ph.D.	IOT, healthcare, Computer Networks Data analytics
6	A K Prasada Rao	Professor	Ph.D.	Solidification processing of metallic systems and sustainable manufacturing of metallic systems; 3D-printing of metallic materials; Artificial Intelligence
7	Sushil Chandra	Professor	Ph.D.	Industrial Design and Development of Motorcycles
8	Nandita Choudhury	Professor of Practice	Ph.D.	Language and Literature, Communication Theory, Technical Writing
9	O.S. Panwar	Adjunct Professor	Ph.D.	Silicon and carbon-based materials & devices

10	Mohit Sinha	Adjunct Professor	M.Tech.	Communication Systems, Signal/Image Processing, Smart Grid/Metering
11	Yarramaneni Sri-dharbabu	Associate Professor	Ph.D.	Characterization of Conducting Polymers, High energy heavy ion irradiation of polymers
12	Maheshwar Dwivedy	Associate Professor	Ph.D.	Sustainability studies through systems approaches such as life-cycle assessment to model technological progress and product diffusion
13	Akhlaq Husain	Associate Professor	Ph.D.	Theory and Partial Differential Equations, Spectral Element Methods, Parallel/Scientific Computing
14	Amiya Dash	Associate Professor	Ph.D.	Machine Design, Solid Mechanics, Dynamics of Machine, Bio-Mechanics and Mechanical System Design
15	Rishi Asthana	Associate Professor	Ph.D.	Hydrodynamic Stability, CFD, Mathematical Modelling
16	Ziya Uddin	Associate Professor	Ph.D.	Computational Fluid Dynamics, Soft Computing Techniques, Heat pipes, Cooling of industrial machinery and electronic devices
17	Tabish Rasheed	Associate Professor	Ph.D.	Molecular Spectroscopy, Quantum Chemistry, Organic Electronics
18	Sunil Gupta	Associate Professor	Ph.D.	Cryptography and Network Security
19	Kiran Khatter	Adjunct Associate Professor	Ph.D.	Non-functional Requirements, Software Architecture Intrusion Detection, Data Mining, Machine Learning
20	Sonu Kumar	Assistant Professor	Ph.D.	Advanced Manufacturing, Automation
21	Amarnath Bheemaraju	Assistant Professor	Ph.D.	Organic Electronics, Materials Chemistry and Organometallic chemistry
22	Ashok Kumar	Assistant Professor	Ph.D.	VLSI testing and design for testability, Memory system design, Secure Scan and Low Power VLSI design
23	Nishtha Phutela	Assistant Professor	M.Tech.	Distributed Systems, Wireless Systems with focus on WiFi Networks Optimization
24	Satyendr Singh	Assistant Professor	Ph.D.	Natural Language Processing

25	Ranjib Banerjee	Assistant Professor	Ph.D.	Nonlinear Dynamics & Chaos Synchronization, Computational Mathematics and Complex Network
26	Neeraj Kumar Sharma	Assistant Professor	Ph.D.	Finite Element Modeling of Composites, Thermal and thermo-mechanical modeling of composite behavior, Fabrication and characterization of metal matrix composites
27	Nirupama M.P	Assistant Professor	Ph.D.	Vacuum Nano Electronics and Devices, Aerospace, VLSI Design and Fabrication
28	Ranbir Singh	Assistant Professor	Ph.D.	Mechatronics & Automation, Flexible Manufacturing, Design, Industrial Engg. & Manufacturing, Instrumentation
29	Surya Prakash	Assistant Professor	Ph.D.	Robust Optimization and AI in Manufacturing, Industrial Engineering and Technology Management, Supply Chain Risk Management
30	Purnendu Pandey	Assistant Professor	Ph.D.	IoT (Internet of Things), Cyber Security, Machine Learning, Adhoc Networks, Sensor Networks, Network Coding in Wireless Networks
31	Shuvabrata Bandopadhaya	Assistant Professor	Ph.D.	Communication systems
32	Sharisha Shanbhag	Assistant Professor	M.S.	Image processing, computer vision and pattern matching
33	Soharab Hossain Shaikh	Assistant Professor	Ph.D.	Computer Vision/Image Processing
34	Adnan Hussain	Assistant Professor	M.Tech.	Vulnerability Analysis of Reinforced Concrete Structures, Development of Fragility Curves, Risk Assessment
35	Rajesh Yadav	Assistant Professor	Ph.D.	D2D Security in 5G Technology, Network Slicing in 5G Networks
36	Brij Bihari Dubey	Assistant Professor	Ph.D.	Wireless Networks, Mobile Ad-Hoc and Sensor Networks, Delay Tolerant
37	Sumit Roy	Assistant Professor	Ph.D.	Internal Combustion Engine and Emissions, Alternative Sources of Energy for Transportation
38	Sanmitra Barman	Assistant Professor	Ph.D.	Photocatalysis, Chiral catalysis for the synthesis of pharmaceutically important molecules

39	Anubhav Agrawal	Assistant Professor	Ph.D.	Power Electronics and Drives
40	Pradeep Kumar	Assistant Professor	Ph.D.	Cloud Computing, Security, GIS
41	Kamal Kant Jain	Assistant Professor	Ph.D.	Concrete Technology, Construction Management, Sustainability and Durability of RC Structures, Application of Data Analytics in Construction Industry, Green Buildings
42	Suchitra Rajput Chauhan	Assistant Professor	Ph.D.	Water Remediation (Degradation of Textile dye), Superconducting wires, Thin Films, Memory alloys, Spintronics
43	Jyoti Pruthi	Assistant Professor	M.Tech.	Machine Learning, Theory of Computation, Mobile Application Development
44	Mukesh Mann	Assistant Professor	Ph.D.	Fuzzy Logic, Optimization Algorithm, Software Engineering
45	Amarjit Roy	Assistant Professor	Ph.D.	Image Processing, Impulse Noise Removal, Soft Computing
46	Atul Mishra	Assistant Professor	M.Tech.	Natural Language Processing, Machine Learning, Software Engineering
47	Abhishek Jindal	Assistant Professor	Ph.D.	Pavement Materials, recycled Materials, Concrete technology, Traffic Engineering, Pavement Design and Analysis
48	Ajay Kumar Sood	Assistant Professor	Ph.D.	Drag reduction in turbulent channel/pipe flows, large eddy simulations, DNS, Fluid structure interactions, hybrid turbulence models
49	Shalini Asrani	Assistant Professor	M.Tech.	Construction Management for Sustainability
50	Arijit Maitra	Assistant Professor	Ph.D.	Computational Physical Chemistry, Materials Science, Biophysics
51	Bipin Singh	Assistant Professor	Ph.D.	Bioinformatics, Computational Biology and Chemistry, Biomedical data analysis
52	Abhimanyu Singh Rana	Assistant Professor	Ph.D.	Spintronics, Low dimensional materials, Resistive Switching Devices and Memristors, Materials for energy harvesting and storage, Electric Field Effects in Complex Metal-Oxides
53	Rajiv Dey	Assistant Professor	Ph.D.	Internet of Things, Control Systems

54	Meenakshi Agarwal	Assistant Professor	Ph.D.	Digital Filters, Digital Circuits, Digital Signal Processing, Solar energy
55	Puppala Harish	Assistant Professor	Ph.D.	Renewable Energy, Geographic Information Systems, Facility Planning
55	Devanjali Relan	Assistant Professor	Ph.D.	Medical Imaging, Biomedical engineering, Machine learning
57	Deepti Sharma	Assistant Professor	Ph.D.	Different Styles of Communication, Cross Cultural Communication, English Literature, New Pedagogies in Language Learning
58	Nallan Chakravartula Kaushik	Assistant Professor	Ph.D.	Tribology, Metals and Composites, Materials Behaviour, Material Processing
59	Debajyoti Ghosh	Adjunct Assistant Professor	M.Tech.	Query algorithms in road network for location based services
60	Poonam Sangwan	Faculty Associate	M.Tech.	Computer Science & Engineering
61	Vijay Prakash Sharma	Faculty Associate	M.Tech.	Mechanical Engineering
62	Lalit Kumar Sharma	Faculty Associate	M.Tech.	Manufacturing Engineering
63	Monika Mogan	Faculty Associate	M.Tech.	Computer Science & Engineering

# CENTRES & LABORATORIES

## 1. DR. BRIJ MOHAN LALL MUNJAL EXPERIENCE CENTRE

The centre consists of an autobiographical description of the life and times of Dr. Brij Mohan Lall Munjal depicted in audio and video modes. Pictures exhibiting student life in campus as well as students' projects are displayed. There are also photographs that show our university's association with various industrial organizations.

## 2. CENTRE FOR CAPITAL MARKETS

- This centre aims to facilitate and encourage-
- Research and teaching in financial markets
- Investment as life skills
- Application of technology in financial services including newer technologies like Blockchain and AI
- Entrepreneurship, an incubator for startup ideas in Financial Literacy, Financial inclusion, Fin tech solutions, Blockchain, Artificial Intelligence and any other related areas

To achieve these objectives, the Centre intends to provide financial markets laboratory to support faculty and scholars in teaching and conducting research on Financial Markets, provide TrakInvest.com platform for acquiring and enhancing investment skills, delivering various up-skilling courses linked to industry requirements, launch various faculty development programs and management development programs open to candidates beyond the Campus and constituting a board of mentors who regularly screens new business ideas and incubates the shortlisted ones until they secure a funding.

---

### 3. CENTRE FOR ADVANCED MATERIALS (CAMD)

This centre was inaugurated on the 19th November 2018. It consists of an autobiographical descript-  
The centre is equipped with several scientific instruments in three major research facilities:

1. Materials Characterization Lab
2. Thin-films and Measurement Lab
3. Device and Fabrication Lab

Material Characterization lab houses instruments such as Scanning Electron Microscope (SEM), X-ray Diffractometers (XRD), Optical profilometer and Scanning Near-field Optical Microscope (SNOM) and Confocal Raman imaging.

Thin Films and Measurement lab includes instruments such as probe station, Keithley 4200 semiconductor characterization system, Physical Vapor Deposition (PVD) and Chemical Vapor Deposition (CVD) systems.

PECVD cluster tool

PECVD

E-Beam and Thermal

Raman, SNOM, PL, AFM System

RF-DC Cathodic Arc

RF-DC magnetron sputtering

---

---

#### 4. SIEMENS CENTRE OF EXCELLENCE IN AUTOMATION, ROBOTICS AND MECHATRONICS (COE\_ARM)

The Centre is equipped with several scientific instruments in seven different laboratories,

##### **Product Design and Validation Lab**

This facility generates the capability to design a product and validate the design by automating the process of designing, drawing and analyzing with digital tools and curriculum prepared by renowned professionals from SIEMENS PLM. Students can learn and perfect the engineering of conceptualizing and designing a new product right from the scratch and validate it using FEA. The following softwares are installed:

- SIEMENS NX-10.0(Including bundle of CAD, CAE)
- FEMAP(CAE)
- TEAMCENTER(PLM)

##### **Robotics Lab**

The lab is equipped with standard training cells comprising of KUKA (A German manufacturer of industrial robots and solutions for factory automation) KRC-4 industrial robot with required auxiliary equipment. This training cell is capable of performing multitude of operations used for Arc welding, Material handling and Spot welding and other essential operations used by the automobile, food and beverages, packaging and other manufacturing / production industries.

##### **Pneumatics and Hydraulics Lab**

The transmission and control of power by means of fluid under pressure is becoming increasingly used in all branches of industry and it is also used in the development of automation solutions. This lab has a set of Pneumatic/Hydraulics, Electro Pneumatic and Hydraulics equipment which is used to impart training on fundamental pneumatic and hydraulic components and the process to design the pneumatic and hydraulic circuits on kit and on Fluid Sim software.

##### **CNC Lab**

CNC lab is used to provide skills on fundamentals and principle of machining, part programming, tooling and production technology for the integration of automated systems for the ease of production industry. The lab has real time CNC controller, two CNC turning kits and 2 CNC Milling Kits and 1 replica of VMC to write codes for the product design. It also houses SINUMERIC software for virtual training practice.

## Mechatronics Lab

Mechatronics Lab is equipped with two sets of 5 station Industrial application prototype for understating the application of mechatronic concept. These are used to provide skills on basic concepts and implementation of computers, electronics, mechanical drives and systems, programmable logic controllers, sensors and transducers, hydraulic, pneumatic and electric drives design of mechanical structure and mechanism.

## Process Instrumentation Lab

Process Instrumentation lab is designed to enable maintenance personnel to carry out commissioning, calibration and maintenance of the typical devices used for measurements and control in industrial systems. These are equipped with 2 types of industrial Pressure sensor, 3 types of Level sensor, Temperature sensor, 3 types of flow sensor and control valves with smart positioner and PCS7. The facility is used by the students to train on how to program, calibrate and monitor the sensors using HART and Profibus modules and design the SCADA system to monitor and control the process.

---

---

## Automation Lab

Automation lab is equipped with 6 S7-1200 PLCs and 1 S7-1500 PLC with KTP HMI-700 Basic and SCADA system and used to train students about the different hardware arrangements of PLC, application of PLC, HMI and SCADA and the process to program a PLC using different programming languages. PLC has a wide variety of applications in manufacturing industry to automate the conventional arrangement in to automated systems to ease the manufacturing process.

## Electrical Lab

Electrical lab is equipped with electrical devices like ACB, MCCB, Drives AC/DC, Soft starter, Type two coordinating kits, Timer relays kit and Simocode. Here students are trained about the fundamentals of basic switch gear, commissioning of AC/DC drives and basic trouble shooting.

## 5. HIGH PERFORMANCE COMPUTING FACILITY

The University has a high-performance compute cluster that can process data and perform complex calculations at high speeds – up to 4 TeraFlops. The cluster runs on the CentOS operating system and consists of a control node and 5 compute nodes each having 96 GB primary memory and two Xeon processors with multiple cores processing each, together accessing 24TB of storage over fibre channel. Applications running on this include Gromacs to perform molecular dynamics, i.e. simulate the Newtonian equations of motion for systems with hundreds to millions of particles; Comsol Multiphysics for cross-platform finite element analysis; and Ansys for engineering simulations, among others.

---

---

## **6. SCIENCE AND ENGINEERING LABORATORIES**

### **A. CIVIL ENGINEERING**

Civil Engineering Department at BML Munjal University (BMU) is equipped with several laboratory equipment. These equipment and labs are primarily used to facilitate the UG students with experiential learning opportunities in various sub-domains of Civil Engineering Practice. Available facilities and expertise are also useful for implementation of academic and industrial projects, and research.

Civil Engineering Laboratories consist of both conventional and modern equipment. For example, Highway Engineering Lab is equipped with both conventional machines, such as: Los Angeles Abrasion Testing Machine, Impact Value Testing Machine, etc.; and, modern day equipment, like: Marshal Stability Test Equipment, CBR Testing Equipment, and many more.

This equipment helps students to learn about and measure key mechanical properties of soils. Furthermore, student ascertain and study engineering properties of soil with the help of equipment, like: Swelling Index Machine, Standard Proctor Test Equipment, Permeability Test Apparatus, etc. Concrete Technology Lab is equipped with all tools and machines typically required for preparation and investigation of characteristic properties of Concrete.

### **B. MECHANICAL ENGINEERING**

#### **I) CAE LAB (FEA & CFD)**

The Computer Aided Engineering lab is equipped with FEA research version software supported with HPC capabilities. B.Tech. course-curriculum tasks are regular activities in the lab. Ansys enables users to create product & structure simulations & allow users to test & verify components with customizable environmental variables.

#### **II) CAD LAB**

CAD lab (Computer lab) is equipped with over 120 machines (PC) installed with 2-D drafting (Autodesk AutoCAD) and 3-D modelling (Siemens PLM software NX) software packages. Autocad has capability to import dxf, dwg, dws, dwt, wmf, sat etc. & export files into dxf, dwg, 3ds, fbx, pdf, dwf, bmp etc. file formats. Siemens NX software is a powerful tool to deliver fast & efficient CAD service. It enables design, simulation & manufacturing solutions for CAD-CAE-CAM. It supports every aspect of product development, right from idea conceived to concept design to manufacturing through digital engineering and manufacturing support. NX CAD file has encoding, appearance, scene & animation information. This is the place where design, drawing & modeling of all the students' projects are done. Electric car, SAE projects, JoE projects, Drone design etc have been worked in the lab, with which students have won several prizes.

#### **III) ADDITIVE MANUFACTURING LAB**

This is one the most advanced labs of the university. The lab is equipped with 3-D printing facility, micro machining facility & a robotic arm with high level programming capability.

#### **IV) WORKSHOP**

Workshop is fully equipped with CNC Lathe, Vertical Machining Centre, EDM, Wire-EDM, Injection Moulding Machine, High Precision Lathe, Centre Lathes, Universal Milling Machine, Shaper, Vertical Drilling Machine, Radial Drilling Machine, Grinder, Surface Grinder, different Welding set ups (TIG, MIG, Gas, Spot welding & Electric Arc Welding), Electric Furnaces, Bend Saw, Jig Saw, Wooden

---

Lathe, Laser Cutting Machine, Power Press, Bending Machine, Shearing Machine, Power Hack Saw, casting & moulding tools & equipment's, smithy shop tools, forging tools, sheet metal working tools, fitting tools & carpentry tools, to carry out different manufacturing activities on the shop floor. For quality inspection we have metrology & inspection tools like measurement tapes, engineering scales, Vernier Calliper, Height Gauge, Screw Gauge, Standard Wire Gauge, inside & outside calliper, level indicators, sine bar, bevel protector, dial indicators, plug gauges, etc. We also have advanced tools & machines like Vision Measurement Machine (VMM), Surface Profilometer, Energy Meter, Dynamo Meter, thermal imaging camera, microscope etc. to carry out various types of research activities. One can manufacture an item/ product in the workshop by any of the process viz. machining (conventional & non-conventional), welding, casting & forging. Sheet metal and carpentry related work can also be carried out as required. Several publications (international journals & conferences) have been resulted by the work/ task/ activity carried out on the workshop floor by the students under esteemed guidance of different faculty members.

#### V) KINEMATICS & DYNAMICS OF MACHINES LAB

KDM lab is equipped with Shaft Whirling Apparatus, Motorized Gyroscope, Epicyclic Gear Train, Cam & Followers arrangements, Balancing apparatus (Static & Dynamic), Governor apparatus (watt, Porter, Proell & Hartnell type), Screw jack, Universal vibration apparatus to conduct studies & experiments for B. Tech. level. Research activities like vibration & frequency analysis of research materials with varying rotational speeds with different dampers, experimental research to study gyroscopic effects for different materials, masses & dimensions, experimental validations of virtual balancing results (simulation results) & analysis of radius of gyration of different bar materials can be done in the lab.

#### VI) MATERIAL TESTING LAB

Material Testing lab is equipped with all material testing facilities to carry out material testing tasks for B. Tech, & Ph.D. level. We have Universal Testing Machine (Mechanical & Automatic/ Electronic type) to determine tensile, compressive, bending & strengths and for different materials under given loading limits; Impact Testing Machine to find impact strength of different materials, Hardness testing machines (Rockwell, Brinell & Vickers hardness testing) to determine Rockwell, Brinell & Vickers hardness number of test specimen; Torsion testing machine to calculate modulus of rigidity for test specimens; Fatigue testing machine to determine fatigue strength of test specimen & Load-deflection measuring apparatus to find deflection of simply supported & cantilever beam to conduct B. Tech. curriculum experiments. These set-ups can be used for testing the material for research purpose.

---

---

## VII) FLUID MECHANICS/ MACHINES & HYDRAULICS LAB

The selection of a pump or turbine depends on its characteristics curves. For the purpose the lab is equipped with different test rigs i.e. Centrifugal pump test rig, Gear pump test rig, reciprocating pump test rig, Kaplan turbine test rig, Francis turbine test rig & Pelton wheel turbine test rig to draw their characteristics curve. Other apparatus such as Metacentric height apparatus to determine metacentric height, position of center of buoyancy, metacenter & center of gravity of ship model; apparatus to verify Bernoulli's theorem, Reynolds apparatus to determine the flow types (turbulent or laminar type), Pitot tube apparatus to find fluid velocity flowing through a circular tube, apparatus to measure head losses in different pipe fittings and sudden enlargement & contraction of pipe cross-sectional areas.

## VIII) AUTOMOBILES LAB

Automobile engineering is supported with two different labs. First is the Hero sponsored lab is equipped with cut sections of different two-wheeler components/ systems for demonstration/visualization. 125 CC, 110 CC & 100 CC SI engines, electric system of a two-wheeler, visual display of bike assemblies & dis-assemblies.

Second is the Shell sponsored lab equipped with four-wheeler automobile components. This includes, Actuator; Air intake system; Axle; Big end bearing (cam shaft bearing); Cam sprocket, cam shaft, rocker arm with hydraulic adjuster; clutch assembly, clutch, oil pump, liner, tappets, sleeves & valve; constant velocity pump; crankshaft, connecting rod, piston & valve; CRDI system – demo board; cut model of alternator, bevel gear box, filter with upper body, FIP, oil pump, car, screw compressor & vane pump..

## IX) HEAT & MASS TRANSFER LAB

The lab is equipped with apparatus to measure conduction through composite wall with different sections for different heat input value; apparatus to measure drop-wise & film-wise condensation, parallel & counter flow heat exchanger to determine LMTD & overall heat transfer coefficient of heat exchanger, emissivity measurement apparatus to determine mean emissivity of an aluminum plate; heat pipe demonstration apparatus; apparatus to measure natural/free convection etc.

## X) INTERNAL COMBUSTION ENGINES LAB

The ICE lab is equipped with models & cut-out sections to study constructional details & working principal of 2-stroke /4-stroke diesel & petrol engine for B.Tech. students. The lab has testing facilities for load test on 4-stroke single-cylinder diesel & 4-stroke multi-cylinder petrol engine; heat balance test on 4-stroke single-cylinder diesel & 4-stroke multi-cylinder petrol engine; Morse-test on multi-cylinder petrol engine; performance & combustion test in addition to emission test on 4-stroke single-cylinder diesel & multi-cylinder petrol engine; to determine flash point and fire point of a lubricating oil; to determine viscosity of the oil and to determine the calorific value of gaseous fuel (LPG), solid & liquid fuel.

## C. CHEMISTRY LAB

The chemistry lab was established with the main objectives; (1) creating awareness about various chemical processes that we come across in our day to day life and (2) introducing methods to estimate the nature and amount of chemicals present in various substances we use in our daily lives ranging from bathroom cleaner, dairy products to cement. The lab has been successful in achieving these objectives by (a) enabling undergraduate students at BMU perform various reactions, and (b) encouraging them to come up with methods for the estimation of chemicals.

Double beam UV-Vis spectrophotometer

---

---

In addition to the conventional experiments students typically are encouraged to find solutions related to day to day problems such as recycling the waste RO water and purification of particle loaded air. These projects furthered students' understanding, applied thinking and out-of-box thinking.

#### D. PHYSICS LAB

Dark room

Automatic street lighting system

The Physics lab is designed to cater to the needs of undergraduate students and also to provide them with useful space and infrastructure for hands-on project work. The experiments introduced are kept in line with the topics taught in the class. The projects done by the students were designed were related to their Physics course and provided useful insights on the engineering applications of Physics concepts.

#### E. BLOOMBERG TERMINAL LAB

In today's fast-changing digital marketplace, real-world experience will best prepare students for the world that awaits outside the classroom. For students the advantages of having access to Bloomberg are clear. Today's finance graduates must be both intellectually and technically savvy to succeed beyond the classroom. Bloomberg helps to learn how to analyse financial markets, assess economic scenarios and interpret the key news developments that impact the global economy better. Watching the interaction of world events and market behaviours in real time and acquire marketable skills improves the odds of landing the job students aspire.

At BMU the students of MBA having specialization courses like Fixed Income, Equity Analysis, and Commodity etc. use the terminal. For a course, 3 to 4 lab sessions per course is required.

---

## F. AIMA BIZLAB

AIMA Bizlab is a first of its kind virtual lab for management students. Using the AIMA Bizlab software, students experiment with various management strategies and tactics on the given scenario. Bizlab experiments present scenarios that require application of concepts being covered in the BBA and MBA curricula. It therefore helps to develop an integrated perspective of different aspects of management.

## G. LANGUAGE LAB

Language labs are audio and audio-visual systems that help students learn new languages through listening and speaking. English language labs are designed to provide the learners with a strong platform for practical training in the language.

BMU uses the software Words Worth in the Language Lab. The Words Worth Adult Learners programme tailored to the needs of learners of higher learning institutions, is designed to run parallel to the academic syllabus for graduation.

Structured through three levels, each level is packed with 70 to 80 hours of intense interactive training, through rich audio-visual content alternating between ILT (Instructor-Led Training) and CBT (Computer-based training) sessions. These levels, respectively meet the language skill benchmarks set by the CEFR for Elementary, Intermediate and Advanced levels of language. The program uses lessons like listening comprehension and pronunciation practice to prepare students for using English in a professional setting.

---

---

## H. OTHER KEY ACADEMIC INFRASTRUCTURE

### 1. PROPEL-THE INCUBATOR

BMU's incubator PROPEL consists of the following four initiatives, each of which is driven by a group of 2-3 faculty members of the University:

**Incubation Support:** This is a student led body responsible for creating an entrepreneurial culture across the University. Their mandate is to conduct business plan/business idea competitions, workshops, invited industry talks by experts etc.

**Student Entrepreneurship:** The primary role here is to seed ideas of entrepreneurship within the student community by conducting programs, and to mentor/advise student entrepreneurs on their business ideas through 1-1 mentoring and/or through customized workshops on different topics (financial planning, marketing plan etc.)

**Entrepreneurship Support:** This primarily focuses on external entrepreneurs (non-University community), and typically these entrepreneurs/startups could either be early stage or late stage ventures. The services offered would range from use of mailing facility and networking opportunity, to specialized enablement workshops in identified areas, as well as assistance with raising finance. **Innovation Development:** The focus here is on the innovative classroom projects of the students (primarily postgraduate) which assists them with prototype development, product design finally leading to their commercialization. In addition to the above, there is also significant focus on bringing live industry projects to the University, which in effect becomes living laboratories, and providing internship/training opportunities for the students.

### 2. CENTRAL COMPUTING FACILITIES

BMU has made several strides in ICT – starting with the augmentation of its Internet bandwidth to a 1 Gbps link – thereby more than trebling available bandwidth. The University has also formulated its digital strategy and outlined a transformation plan.

It includes upgradation of internal infrastructure, establishment of an Information Technology Infrastructure Library (ITIL) governance framework, and implementation of several new systems and

---

---

platforms for improving operational effectiveness including a new website and admissions platform, a helpdesk/ticketing system, and a University-wide communication and collaboration system.

In a move to automate several processes across functions, an Enterprise Resource Planning (ERP) system covering the areas of student lifecycle management, financials, materials, asset management and procurement and human capital management and payroll has been implemented. This will bring all transactional data across the University into a single database and greatly help in improving service levels and reduce error rates. It will also lay the foundation for increasing regulatory compliance from an accreditation standpoint.

The University also improved its security posture by implementing several controls and auditing capabilities in its internal and external systems which reduces its attack surface and increases compliance.

## COMPUTER CENTRE

The University has 7 computer labs with 60 computer terminals in each. Total 463 computer systems are present which are equipped with the following softwares and operating systems.

- Office 365
- NX 10
- MATLAB
- Cadence
- Ansys
- NX Academic Perpetual License CORE+CAD
- NX Academic Perpetual License CAE+CAM

## 3. IPR CELL

BML Munjal University promotes research and innovation, for which an excellent infrastructure has been laid and an IPR Cell has been formulated. The IPR Cell is headed by Prof. Goldie Gabrani, Mr. Rakesh Sharma, CEO, TBI (Technology Business Incubator), ISSER, Mohali and Advisor- Innovation, Venture and Business development, TERI, Delhi is member IP screening committee and has been regularly guiding IPR activities at BMU. Further, to leverage its infrastructure and other ecosystems in order to encourage its quest towards research and innovation, the university has provided a mechanism to ease research and innovation to its students, faculties and researchers by having Industry IP attorneys to facilitate activities at IPR Cell. The university is also handholding faculty members and students for filing of patents. There were various awareness sessions conducted by the IPR Cell during last 1 year.

## 4. Career Guidance & Development Centre

Finding a path is very important than walking on one. The Career Guidance and Development Centre (CGDC) at BML Munjal University is dedicatedly paving a way for its students for their holistic development. CGDC is very carefully envisaging a promising pathway for the students to aim, achieve and excel in their careers. Keeping in view BMU's vision, the market challenges and tech savvy world,

---

---

we have extended and adopted a dynamic approach which not only encompasses placements but also understands the importance of having a deeper understanding about higher education, students training, seminars, guest lectures, organising conclaves, internships etc for making students engagement a pivotal role in CGDC. For students to be industry ready professionals, CGDC has roped in its Alumni and industry to bridge the disparity between industry & academia. In addition to the above, one of our outsourced counselling partners will guide students on one to one basis through their eminent counsellors for a better perspective.

CGDC facilitates:

- Active engagement with industry
- Industry/Plant visits/ Internships
- In-house technical and soft-skill trainings
- Personalized to individual training needs
- Industry support across course streams
- Practice School (internship) opportunities pan India
- Student's profiling
- Career-counselling
- preparing students technically and strategically for various selection rounds in the companies.
- Speakers from Corporate & Industry

One of the most pertinent and interesting aspects of CGDC is Practice School which embraces industrial visits and internships for the students from the beginning of their 1st semester. This module enables students to develop a practical hand on approach of industry. The faculty and the CGDC team understand student interests, identify suitable projects and companies, and mentor the student throughout the PS. Each student is assigned two mentors - one from faculty and one from industry. The faculty and industry mentor together award a performance grade for the student, which counts towards the final CGPA.

# UNIVERSITY INFRASTRUCTURE

## INFRASTRUCTURE

### PHYSICAL INFRASTRUCTURE

Total No. of buildings in the campus are 13. The details are as follows:

S. No.	Building name
1	Apartment A Hostel
2	Apartment B Hostel
3	Apartment C Hostel
4	Apartment D Hostel
5	Tower Hostel-1
6	Tower Hostel-2
7	Gateway-A & B
8	North Block
9	Library
10	Workshop
11	Staff Support Housing
12	Faculty Housing
13	Laundry Building

North Block Hero MotoCorp Academic Block consisting of faculty block, classroom, labs (UNDER ACADEMIC BLOCKS)

North Block Hero MotoCorp Academic Block

---

## HOSTELS

The campus is equipped to house 2000 students at this moment in the state of art multistoried hostel designed by HOK Architects. It includes three, two and single seater rooms. The hostels have common areas in each floor with entertainment and recreational facilities.

Tower Hostel-1

Tower Hostel-2

Apartment

S.No.	Hostel Type	Number
1	Apartment A	04
2	Tower Hostel-1	02

---

## FACULTY HOUSING

Faculty housing comprises of a total 44 flats with 1, 2, 3 BHK type accommodation. There is also the facility of a gym, tuck shop, laundry and lounge. The University provides staff housing and there is a block with a total of 16 flats.

## WELLNESS CENTRE

The Wellness Center is available for all in the campus. The centre provides:

- Life skills and coping strategies for adjustment.
- Personality orientation
  - To attain positive goals that boost inter & intra-personal relations
  - To promote atmosphere of well-being on campus.
- Referral services for

- 
- Specialized therapy sessions
  - Yoga
  - Meditation
  - Alternate therapies
  - Psychiatric intervention
  - Creating awareness & sensitizing for
    - Early detection, identification & management of problems.
  - Collaborating with Round Glass (RG): a platform to achieve and sustain a state of positive mental fitness and wellbeing.

## LIBRARY

The Library is in an air-conditioned building with well-furnished spacious reading room create an atmosphere of serenity and thereby inspire intellectual stimulation and research. It has a vast repository of both print and electronic resources that include books, print journals, magazines, project and/or annual reports, newspapers, articles and case studies, courseware and e-databases/e-journals (IEEE, EBSCO Business Source Premier, J- Gate, Bloomberg and Thomson & Reuters, Web of Science) that can be used as references by both students and faculty. The Library is also an institutional member of Developing Library Network (DELNET) and National Digital Library of India (NDLI) for sharing the resources among its member libraries.

The Library is automated with integrated KOHA Library Management Software with RFID Technology and has utilized Information Technology extensively to ensure that resources are accessible at any time. The Digital Library provides a conducive environment for intellectual inquiry by providing user-focused services to obtain and evaluate scholarly information and knowledge. It is connected to high speed internet and intranet network. All activities of Library are computerized, including smart ID cards and On-line Public Access Catalogue (OPAC) to know the status of books at any time. The Library provides various specialized services to the users, i.e., CAS, SDI, News Alert, Reference, Digital Archiving and OPAC.

The library operates from 8 am to 1:30 am

## MESS, EATING AND SHOPPING OUTLETS

The University has two student messes across the campus. These messes cater for refreshment and eatables to the students. Both messes are spacious and have comfortable seating arrangements. Both messes serve four meals during the day namely breakfast, lunch, evening tea & snacks and dinner. All meals are served as buffet with the two major meals having choices of North & South Indian Meals. Complaints and suggestions, if any, are always welcome from the students for the improvement in services. For this the Mess Committee has active student members and is empowered to handle the day to day affairs of the messes like menu planning, quality monitoring etc. With students from all over India and beyond – we ensure that we are sensitive to dietary restrictions and preferences. BMU students can avail a mix of North Indian and South Indian cuisine options from the two messes.

Hostel Mess-Lite Bite Food

Hostel Mess - D-Café

Apart from this, the University has some eating joints also like Delicious, D-Café, Baker Street, Dhaba, Fast Food Stalls etc.

**Delicious:** This multi-cuisine café has meal and snack options ranging from Indian to Chinese & Continental and has its own bakery. It is - being run by Lite Bites Food, who brought in their very popular brands of Zambar & Street food from Punjab Grill.

**Dhaba:** You will find students and often faculty too at our Dhaba which offers tandoori style food.

**Fast Food Stalls:** Since the beginning of this academic year, we have brought in Lazeez Rolls & US Pizza who provide their interesting & varied fare to the students.

---

## CRECHE

The creche is located on ground floor of the faculty housing block. A lady employee has been appointed as the creche caretaker. Any faculty / staff may use creche facility for their children up to the age of 6 yrs. The timings are from 9 AM to 5:30 PM on all working days.

## GUEST HOUSE

University has 39 AC rooms for its guests with a capacity to accommodate 69 persons.

---

---

## SPORTS FACILITIES

At BMU, we believe that education is about the all-round growth of the student and hence we encourage all students to actively participate in sporting activities. It is our conviction that young students need to learn life skills to prepare to handle the rumble-tumble of the harshly competitive world; and sports provide the perfect opportunities for growing to be a team player, disciplined, healthy, balanced and hard-working person. At BMU we treat the sports fields as tools of instruction, just as smart learning tools of academic learning like computers, audio visual, e-books, e-library and internet. We make students aware of and provide direct and lifelong benefits of participating in sporting activities. Here we do not treat sports as simply “co-curricular activity” but rather as “core-curricular activity” for the holistic development of a powerful personality and leader. The Campus has excellent sports infrastructure facilities including floodlit grounds, a/c indoor hall and well mentored program for athletics, badminton, basketball, chess, cricket, football, golf, kabaddi, pool, table tennis, tennis and volleyball. BMU Teams are actively encouraged to participate in Inter University tournaments and sports festivals and are already making their mark with impressive results.

Multi-Purpose Hall

Gymnasium

Volleyball Court

Tennis Court

## CAMPUS EXPERIENCE

### CAMPUS GREEN COVER-UP

- Green Area-84% of total campus comprises of ground cover, trees, shrubs etc.
- No. of Trees-11752 comprising of various species.
- Taps & Showers Aerators-Taps and showers in whole campus are equipped with aerators creating a non-splashing stream and often delivering a mixture of water and air, reducing water wastage. We use portable sprinklers for water conservation.

University Green Area

### RESEARCH, INNOVATIONS AND EXTENSION

The university faculty and staff are engaged in research, consultancy, innovation and executive education programmes. The details of the externally funded research projects are given below:

#### ON-GOING / COMPLETED EXTERNALLY FUNDED RESEARCH PROJECTS

S. No.	Title & scope of the project proposed	PI	Start Year	Total amount	Agency	Status (Ongoing/ Completed)
1	Spectroscopic investigations on functionalized fullerene derivatives for prediction of efficient acceptors in Solar Cells”	Dr. Tabish Rash-eed	2016-17	10.775 lakhs	DST Young Scientist Project	Ongoing
2	“Investigations of structure and properties of H bonded unsymmetrical n-type Organic semiconductors: towards efficient organic field effect transistors.”	Dr Amarnath Bheemaraju	2015	20.60 lakhs	DST Young Scientist Project	Completed
3	“Development of Thermal Diffusion Barrier coatings for cam chain Pins”	CAMD	2017	75 Lakhs	Rockman Industries, Ludhiana	Ongoing

4	Improving the Effectiveness of Jan Aushdhi Stores	Prof. B.S. Satyanarayana, Vishal Talwar, Dr. Ritu Chikara, Dr.Ruchi Garg	2018	25 Lakhs	NITI AAYOG	Completed
5	Design and Installation of Solar Panels	Prof B. S. Satyanarayana	2018	5 lakhs	Indian Electronics and Semiconductor Association & DIETY, Govt of India	Completed

### RESEARCH PROJECT PROPOSAL SUBMITTED

The details of the research projects are as under:

#### Start-up SERB research projects submitted by BMU faculty members in Academic Year 2018-19.

S.No	Title & Scope of the project Proposed	PI	Co-PI	Agency
1.	"Rational Engineering of Lipase Stability for Efficient Biodiesel Production"	Dr. Bipin Singh	-	SERB-SRG
2.	"Real Time Implementation for Removal of Impulse Noise from Digital Images: On Camera Application"	Dr. Amarjit Roy	-	SERB-SRG
3.	"Experimental and computational (PANS, LES and DNS) investigation of using very slender shear-free surfaces of different sizes and materials for the purpose of achieving drag reduction in pipe/channel flows"	Dr. Ajay Kumar Sood	-	SERB-SRG
4.	"Nanoscale control and probing of metal-oxides and their interfaces for flexible and wearable sensors"	Dr. Abhimanyu Singh Rana	-	SERB-SRG
5.	"Automation of Stress Recognition and Monitoring in Campus Students based on Electro-dermal Activity"	Dr. Jayakrushna Sahoo	-	SERB-SRG
6.	Online wireless charging system for electric vehicles	Dr. Rajiv Dey	-	SERB-SRG
7.	Production of biofuel using anaerobic digester at low temperature: turning different organic waste materials into renewable energy	Dr. Meenakshi Agarwal	-	SERB-SRG
8.	Investigations of Ion Motion in Polymer Electrolytes for Battery Applications	Dr. Arijit Maitra	-	SERB-SRG

9.	“Light driven hydrogen production from the water by a heterogeneous photocatalytic system”	Dr. Sanmitra Barman	Dr. Amiya Dash	Haryana-DST
10.	“Remote Health Monitoring of a Manufacturing Machine using IoT for Industry 4.0”	Dr. Surya Prakash	Dr. Amiya Dash	Haryana-DST
11.	“Heterostructures and Interfaces of low-dimensional functional oxides for transparent and flexible electronics”	Dr. Abhimanyu Singh Rana	-	Haryana-DST
12.	“Graphene synthesized from solid carbon films using cathodic arc technique and its application”	Dr. O. S. Panwar	-	DST Nano-mission

### SEED GRANTS BY THE UNIVERSITY

The University has a provision to sanction seed grants to encourage research activities by the faculty. The details of the seed money sanctioned/allocated to faculty members are given in the table as under.

S. No.	Principal Investigator	Co-PI (s)	Project name	Annual Sanctions
1.	Dr. N. Ch. Kaushik	Dr. Bipin Singh & Dr. Yarramaneni Sridharbabu	Assessment of mechanical and structural properties of high-performance polymer blends for automotive, structural and transmission applications	Rs. 2.5 lacs
2.	Ms. Jyoti Pruthi	Dr. Sudip Sanyal & Dr. Jayakrushna Sahoo	Stress Detection and Monitoring based on Electrodermal Activity	Rs. 7 lacs
3.	Dr. Abhimanyu Singh Rana	Dr. Amiya Dash	Low Dimensional Functional Materials for Energy Storage Applications	Rs. 5 lacs
4.	Dr. Arijit Maitra	Dr. A. K. Prasada Rao	Molecular Dynamics Simulation of Heterogeneous Crystal Nucleation	Rs. 1 lac
5.	Dr. Ratna Sanyal	Mr. Atul Mishra	ISOE - An Intelligent System for Online Evaluation	Rs. 2 lacs
6.	Dr. Surya Prakash & Dr. Anubhav Agrawal		Health Assessment of Surface Grinding Machine for Industry 4.0 Applications	Rs. 1.5 lacs
7.	Dr. Rik Paul	Dr. Vishal Talwar	Retail Rivalry: Developing a Hybrid Game of Retail Store Site Selection	Rs. 2 lacs

## CONSULTANCY PROJECTS SUBMITTED/ONGOING

BMU faculty members have received many consultancy projects from educational institutions from abroad as well as from the industries. These projects are executed in collaboration with faculty members in various domains with the industry scientists. The details of these projects are given below.

S.No.	Title & Scope of the project Proposed	PI/Co-PI	Start Year	Agency	Funding Amount
1	Enhancing Customer Value Perception of Public hospitals by eliciting Multi-Sensory Experiences: A Study of Bangladesh and India	Dr. Riasat (NSU faculty)/ Dr. Ritu Chhikara, Dr. Ruchi Garg, Dr. Vishal Talwar	2019	NSU	5 lakhs Bangladesh taka
2	Enhancing the effectiveness of Pradhan Mantri Jan Aushadhi Yojana of Government of India	Dr. Ritu Chhikara, Dr. Ruchi Garg	2018	NITI Aayog	Rs. 25,00,000/-

## IPR CELL Activities

The focus of the sessions organized by IPR Cell is to promote innovation at the university by getting students and faculty aligned with current technology standards so that they can do focused research and get benefit out of their research work. Also, faculty and students are trained in the whole patenting process. Helping them in ideation and guiding them to do modifications and getting their IP protected is a usual process at IPR Cell. Regular query sessions are conducted, where in faculty and students are able to resolve their queries on one to one basis.

Till now, BMU has sensitized approximately 700 students and around 80 faculty members. As a result of awareness sessions, BMU received multiple projects/manuscripts for patent filing from its students and faculty members. IPR cell has received around 180 projects/manuscripts for patent filing, amongst which 32 patents and 2 designs have been filed and further 9 are in the later stages of filing. The details are given below.

## PATENTS/ DESIGN REGISTRATIONS FILED

S.No	Title of Invention	Inventor (S)	Programme	Date of Filing Of Complete Application
1	System and Method for Authorization of Sensor Nodes in Wireless Sensor Networks	Sunil Gupta	Computer Science and Engineering	1/16/2019
2	Method for Enhancing Data Availability in Vanet	Brij Bihari Dubey	Computer Science and Engineering	5/23/2019
3	Liquid Generating System and Its Method Thereof	Amarnath Bheemaraju	Chemistry	5/23/2019

4	Intelligent Healthcare Security Method	Sunil Gupta, Goldie Gabrani	Computer Science and Engineering	5/23/2019
5	System and Method for Predicting Usage of Drugs	Purnendu Shekhar Pandey	Computer Science and Engineering,	5/23/2019
6	Method for Securely Exchanging Data in Cloud Environment	Pradeep Kumar Arya	Computer Science and Engineering	5/23/2019
7	Automated System and Method for Controlling Electrical Appliances	Purnendu Shekhar Pandey	Computer Science and Engineering	5/23/2019
8	System for Reducing Data Duplication	Tamanna Sehgal, Pagidi Aruneswara Reddy, Annam Setu Durgesh Vinay	Computer Science and Engineering	5/23/2019
9	Surface Inspection System and A Method Thereof	Abhimanyu Singh Rana, Purnendu Pandey, Muskan, Teena Khandelwal, Manisha Khandelwal,	Computer Science and Engineering	5/23/2019
10	Data Retrieval System and Its Method Thereof	Sudip Sanyal, Wudaru Vishal Reddy, Nikhil Koditala, Kondragunta Venumadhav	Computer Science and Engineering	5/23/2019
11	Handwriting Recognition System and Its Method Thereof	Atul Mishra, Yash Khandelwal,	Computer Science and Engineering	5/23/2019

## WORKSHOPS AND IPR RELATED SESSIONS

Workshops on IPR awareness for BMU students and faculty members were conducted on several occasions. The details of the sessions are summarized here.

TITLE	DATE	NUMBER OF PARTICIPANTS
Workshop on IPR	01-02-19	348
Workshop on IPR	08-03-19	146
Workshop on IPR	28-03-19	322
Research and IPR at BMU	30-07-19	79

## AWARD & RECOGNITION

### FACULTY/STAFF ACHIEVEMENTS

S. No.	Name of recipient	Type of award	Detail of award	Year of the award
1	Dr. A K Prasada Rao	Excellent Reviewer	Springer Nature and Trans. IIM, INDIA	2018
2	Dr. A K Prasada Rao	Outstanding reviewer award	Acta Materialia and Scripta Materialia	2018
3	Dr. Rupa Murghai	Award for significant contribution	BMU (On Founder's Day)	2018
4	Dr. Vishal Talwar Dr. Jaskiran Arora Dr. Rik Paul	Relmagine Education Award Certificate	Business Education Award Category	2018
5	Dr. Payal Kumar	HR division Academy of Management service Award	The Human Resource Division	2018
6	Dr. Bipin Singh	Appointed as Steering Committee member of IndiaRxiv	A Preprints Repository Service for India Maintained by Open Access India ( <a href="https://indiarxiv.org/">https://indiarxiv.org/</a> )	2019
7	Dr. Purnendu Shekhar Pandey	Invited talk	Emerging Trends in IoT and Discrete Process Modelling, Simulation & Optimization; Rajkiya Engineering College, Azamgarh, UP	2019
8	Dr. Rik Paul	Best paper award	International Conference 'Society and Business in the New Millennium	2019
9	Dr. Vishal Talwar	251 Fabulous Global Education Leaders	World Education Congress	2019
10	Dr. Payal Kumar	Andre Delbecq & Lee Robbins MSR retreat scholarship	Academy of Management, USA	2019
11	Dr. Payal Kumar	Best reviewer award	Academy of Management, USA	2019
12	Dr. Rik Paul	Best paper award	International Conference 'Society and Business in the New Millennium	2019
13	Dr. Ashish Bharadwaj	Cyber Sentinel 2019 award	Infosec Foundation & Enterprise IT World at the Security Symposium	2019

14	Dr. Ashish Bharadwaj	Design Management (Infrastructure Management) award	UBS Forums at the 8th Data Centre Summit & Awards 2019	2019
15	Dr. Sumit Shandilya	Young leader of the year award	GISR foundation	2019
16	BMU President: Mr. Akshay Munjal	Entrepreneur of the Year Service Business - Education	During 9th Annual Entrepreneur India Awards 2019, organized in media partnership with Zee Business	2019
17	School of Management	Emerging Business School (North) Award	ASSOCHAM Award	2019
18	School of Management	BW Award - Category: Innovative in Teaching Pedagogy		
	Business World (BW)	2019		
19	School of Management	The Game of Stores - Cengage Pride/ Ferrell Innovations in Teaching Competition (Finalist).	The Society for Marketing Advances, USA	2019

## STUDENTS ACHIEVEMENTS

S. No.	Students	Club/Band	Event	Location	Achievement	Date
1	Aditya Prakash; Saswat Sarangi; Yash Patil; B Durga Bhagavan; Sai Sandesh Burada	Enactus Club/ Team Amala	Hustle Up	Tryst 2019, Enactus IIT Delhi	Most Innovative Approach" with a cash prize of ₹5000	04-Mar-19
2	Nandit Mehra	Individual	F8 2019 Hackathon by Facebook	San Jose, California	Among top 8 finalists and among only 3 teams to pitch in front of CEO Mark Zuckerberg	30 Apr - 01 May 19

# STUDENT AFFAIRS

## A. SPORTS ACTIVITIES

Sports Achievers who visited the Campus

S.No.	Date	Sportsman
1	29th July '18	1. Arjuna Awardee & Olympian boxer – Mr. Akhil Kumar 2. Arjuna Awardee, Khel Ratna & Olympian Shooter – Mr. Ronjan Sodhi
2	24th April '19	Leadership talk by Mr. Abhinav Bindra on his achievements and journey of becoming the only Olympic Gold medalist in an Individual event

<b>BMU Sports Activities 2018 – 19</b>		
S.No.	Date	Description of event
1	18th and 19th August 2018	Fresher's Challenge 2018, The fresher's i.e. 1st year students play against the 2nd year students in order to jell up and know the sporting facilities and staff/students involved
2	29th August '18	Celebration of National Sports Day.
3	Aug. '18, Sept. '18, Oct. '18, Nov. '18 and April '19	"Banyan League", 4 member universities i.e. Ashoka University, OP Jindal Global University, Shiv Nadar University and BMU play 7 sports in a league format over the year
4	Sept. '18 & Jan. '19	Inter Quad, all the university students are allotted with Quads. The students represent their Quads in 11 sports over the year
5	5th , 6th and 7th October 2018	"Hero's Challenge 2.0", annual sports festival of BMU. At the second edition of "Hero's Challenge" 14 Institutions participated with more than 700 students in 10 sports.
6	24th to 28th October 2018	Participation at "Spardha", annual sports festival IIT, BHU
7	22nd to 25th Nov. 2018	Participation at "Agneepath", Annual Sports Festival of Ashoka University
8	20th Dec. 2018 and 13th April '19	Sports Gala, faculty vs staff matches
9	8th to 10th Feb. '19	Participation at "Breeze", annual sports festival of Shiv Nadar University
10	15th to 17th Feb. '19	Participation at "Agneepath" annual sports festival of Ashoka University
11	1st to 4th March '19	Participation at "Sportech" annual Sports festival of IIT, Delhi
12	6th to 8th March '19	Participation at "Sportopia" annual sports festival of GD Goenka University
13	15th to 17th March '19	Participation at "Magnus" annual sports festival of OP Jindal Global University
14	29th to 31st March '19	Participation at "Spree" annual sports festival of BITS, Goa

### Performance of BMU at Various Sports Festivals (External)

Festival	Sports Discipline	Position
“Spardha”, annual sports festival of IIT, BHU (October 24-28, 2018)	Badminton	2nd Position
“Breeze”, annual sports festival of Shiv Nadar University (February 8-10, 2019)	Badminton	2nd Position
“Breeze”, annual sports festival of Shiv Nadar University (February 8-10, 2019)	Tennis	1st Position
“Sportech” annual Sports festival of IIT, Delhi (March 1-4, 2019)	Tennis	1st Position
“Sportech” annual Sports festival of IIT, Delhi (March 1-4, 2019)	Badminton	1st Position
“Magnus” annual sports festival of OP Jindal Global University (March 15-17, 2019)	Kabaddi	2nd Position
“Spree” annual sports festival of BITS, Goa	Kabaddi	1st Position

### Performance of BMU at Various Sports Festivals (Internal)

Festival	Sports Discipline	Position
“Hero’s Challenge 2.0”, annual sports festival of BMU (October 5-7, 2018)	Badminton(Men’s Singles), Badminton (Men’s Doubles), Cricket, Kabaddi and TT(M)	1st Position
“Hero’s Challenge 2.0”, annual sports festival of BMU (October 5-7, 2018)	Badminton(Men’s Singles), Badminton (Mixed Doubles), Chess and Pool	2nd Position
“Hero’s Challenge 2.0”, annual sports festival of BMU (October 5-7, 2018)	Chess, Kabaddi, Pool, Tennis (W) and Volleyball	3rd Position
Inter Quad (Over the whole year during the weekends)	Volleyball – Trojans Basketball – Trojans Table Tennis – Romans Football – Romans Chess – Gladiators Pool – Gladiators Kabaddi – Trojans Cricket – Gladiators Tennis – Trojans Badminton – Gladiators Athletics – Spartans Campus Run (M) – Spartans Campus Run (W) – Romans	1st Position

Inter Quad (Over the whole year during the weekends)	Volleyball – Gladiators Basketball – Romans Table Tennis – Spartans Football – Gladiators Chess – Romans Pool – Spartans Kabaddi – Gladiators Cricket – Romans Tennis – Spartans Badminton – Trojans Athletics – Gladiators Campus Run (M) – Romans Campus Run (W) – Spartans	2nd Position
Inter Quad (Over the whole year during the weekends)	Volleyball – Spartans Basketball – Romans Table Tennis – Spartans Football – Gladiators Chess – Romans Pool – Spartans Kabaddi – Gladiators Cricket – Romans Tennis – Spartans Badminton – Trojans Athletics – Gladiators Campus Run (M) – Romans	3rd Position

### Special Sporting Events at BMU

S. No.	Date	Description
1	3rd June to 15th July '19	Delhi Dabang kabaddi Club trained for the Pro Kabaddi league season consecutively for the 3rd time at BMU. BMU is the training venue partner for Delhi Dabang team.
2	27th and 28th June '19	“Panga”, a kabaddi tournament conducted by Delhi Dabang Kabaddi Club where in 64 kabaddi teams from the whole North India participated
3	29th June '19	Reliance Foundation scouting for the U – 17 Indian women’s team for the World cup 2020 held under the aegis of All India Football Federation

Glimpses of Sports Activities

## B. Co-curricular Activities

S.NO	DATE	EVENT	DESCRIPTION OF EVENT
1	5th Oct, 2018	Back to Code Challenge	ACM Club organized a coding competition to encourage students to take interest in coding related concepts.
2	23rd - 24th March, 2019	HackBMU 2.0	ACM Club organised a Hackathon focused on promoting innovation, entrepreneurship and networking was organised. Teams from all over the country participated. Nearly half the participants were women.
3	8th Sept, 2018	NX 10 Design Workshop	ACM Club organised a workshop to create awareness about use of NX software series and provide knowledge about the software interface and its utility.
4	21st Sept, 2018	ANSYS Simulation Learning Workshop	ACM Club organised this workshop in which ANSYS (student version) and other study materials which are useful for simulation and analysis perspective was provided. Some case studies were also discussed.

5	5th Oct, 2018	IC Engine Workshop	Automobile Club organised this workshop to provide students an in-depth view of research areas in IC Engine segment.
6	15th July, 2019	SAE Supra	Students of Automobile Club participated in the 8th edition of SUPRA SAEINDIA at the Buddh International Circuit in Greater Noida - India's biggest formula racing competition for students.
7	25th- 29th March, 2019	National Eco-Cart Championship	Students of Automobile Club participated in the highly reputed NEKC Event held at Rajiv Gandhi Prodyogiki Vishwavidyalaya.
8	22nd August, 2018	TEDx BMU Salon	Sierra Club hosted a BMU TEDx Salon with the theme "Into Oblivion" wherein speakers eminent in their own fields (Sunitha Goparaju, Siddharth Singh, R Balaji & Akshansh Singh) shared their thoughts & experiences with students.
9	8th-9th Feb, 2019	Model United Nations - BMU	Sierra Club hosted a Model United Nations (MUN) in which students learnt about diplomacy, international relations, and the UN through speaking, debating, and use of writing skills, in addition to critical thinking, teamwork, and leadership abilities.
10	24th Nov, 2018	Hult Prize BMU	Sierra Club organised selections for teams participating in Hult Prize(World's biggest engine for launch of for-good, for-profit start-ups).
11	24th-25th Oct, 2018	Money Muffins	Sierra Club organised Money Muffins, a crowd funding venture for student teams selected for Hult Prize. This took the form of a food fest.
12	17th Oct, 2018	Hatke Panipuri	Culinary Club organized a food eating competition in a very fun way.
13	8th Feb, 2019	MasterChef	Culinary Club organised an inter-college event as a part of our annual fest, The 67th Milestone. Students from all over the country participated enthusiastically.
14	10th Feb, 2019	Grappling Tournament	Fight Club organized a Grappling Tournament as a part of the annual fest, The 67th Milestone.
15	6th-8th August, 2018	Fresher's Debate	LiQuiD Club organised a debate competition for the fresh undergraduates of 2018.
16	6th Sept, 2018	Chai Pe Charcha	LiQuiD Club organised Chai Pe Charcha on "Should Gambling be Legalised in India?"

17	8th Feb, 2019	Inquisitive	LiQuiD Club organised a quiz competition as part of the annual fest, The 67th Milestone.
18	8th-9th Sept, 2018	Arduino 101 Workshop	Robotics Club, in association with Robotech labs, conducted an Arduino 101 workshop & competition covering the basics.
19	16th Feb, 2019	Coding Ninja Workshop	Sci-Mat Club organised a coding workshop teaching effective skills in fields of Algorithms, Data Structures, Big Data etc.
20	22nd Oct, 2018	Talk on Stage Fright	Speakeasy Club organized a talk on how to overcome stage fright and be more confident.
21	8th Feb, 2019	Slam Poetry	Speakeasy Club organized their flagship event, "Slam Poetry" as part of the annual fest, The 67th Milestone. Participants from different colleges competed. The theme was open, and participants recited poetry of different kinds.
22	15th Aug, 2018	Rangon Ka Karwaan	Strokes Club organized Rangon Ka Karwaan as part of the Independence Day Celebrations. The theme was "Independence" and students participated in painting, rangoli making etc.
23	8th-9th Feb, 2019	Fine Arts Marathon	Strokes Club organised their flagship event, "Fine Arts Marathon". Participants were given a limited amount of time to do the art work given by the club on a specific topic.
24	8th Feb, 2019	HR Panel Discussion	TSEC Club organized a panel discussion as part of the annual fest, The 67th Milestone. HR Professionals from reputable organizations were invited for the panel discussion.
25	8th March, 2019	Women's Day Celebrations	Udaan Club celebrated Women's Day by organizing different sports and cultural activities on a fun-filled day.
26	9th March, 2019	Women's Talent Night with Hamari Aasha	Udaan Club collaborated with the Raman Kant Munjal Foundation which teaches and empowers women across all communities to work together and help them become economically independent. A talent night was organised to showcase the hidden talent of the foundation students and also showcased different handicraft items made by the students of the Hamari Aasha initiative.

27	1st sept, 2018	Tree Plantation	Environmental Club undertook a plantation drive and planted 15 Ashoka trees on the convocation day in the campus.
28	20th Nov, 2018	Visit to Village (Bilaspur Kalan)	Environmental Club members visited Bilaspur village to survey the people and showcase Aasha Smart Bins.
29	26th Nov, 2018	Power Down Challenge	18+ teams pitched their ideas in front of a panel of 6 judges to conserve the energy of BMU or use it in an efficient way.
30	23rd Oct, 2018	Extravaganza	Performing Arts Club (PFA) organised their flagship event where students showcased their talent in the fields of music, dance and drama. This event had the highest amount of turnout in terms of both number of audience and participants.
31	24th Jan, 2019	Studio Night	Photography and Cinematography Club (PAC) organised their flagship event to give a studio styled photography experience wherein students got their professional portraits and group pictures taken at minimal cost.

At BMU, we have set a strong culture to implant the seed of pursuing higher education amongst our student community. As a result, many of our students have to proceeded for further higher studies in various national & international institutions/universities after their graduation from us. Following are some students who have earned an opportunity to pursue their higher studies from some world renowned institutions/universities:

S.No.	Student Name	Name of the University/ Institution	Program admitted
1	Annam Setu Durgesh Vinay	Arizona State University	MS
2	Chirra reddy Sai San- keerth Reddy	Arizona State University	Master of Computer Science
3	Simran Singh	Christ University, Bangalore	MBA
4	Boyapati Yasaswi	University of Illinois, Urbana Champaign	Information Management
5	N S Bhargava	University of Ohio	MS
6	Sumang Garg	IISc, Bangalore	-

7	T Prithvi	Macquire University, Sydney	MBA
8	Varun Agrawal	S.P. Jain College	MBA
9	T Gouthami Samhitha	University of North Texas	Information Science
10	V Himasekhar	Arizona State University	MS in Computer Engineering (Electrical Engineering)
11	Sambhav Jain	Macquarie University, Sydney	-
12	Mehak Sablok	Macquarie University, Sydney	Master of Engineering (Telecom- munication Engineering)
13	Saumya Tiwari	S.P. Jain Institute of Management & Research, Mumbai	MBA
14	Karri Vivek Reddy	North Carolina State University, USA	Master of Computer Science
15	Konkimalla Ravi Teja	University of Pennsiliveya	Robotics
16	Shantesh Rai	Technische Universitat, Dresdan	-
17	Gulshan Sharma	IIT	M.Sc. (Physics)

### Events Organized by CGDC:

#### Alumni Meet (27th April 2019):

BMU believes on having a strong connect with the Alumni, as they are the ones who are guiding forces for the students. With a view to reunite them we rolled out the red carpet for our graduated students and organised our 1st Alumni meet. This small step witnessed several success stories and dissemination of learning to the aspiring student.

#### Career Counselling Day (27th July 2019):

The Career Guidance & Development Centre (CGDC) at BML Munjal University dedicatedly envisages a promising career for our students. Apart from traditional support of training & placement, the department also distillates holistic career guidance. The student engagement is pivotal for the functioning of CGDC, with guidance on Higher & International Education, executing student trainings, and organizing all smalls conclaves/seminars/guest lectures. Alumni management by CGDC also adds value to the vision of the university. Career Guidance is also extended by roping in professionals from industry. CGDC has partnered with 'I Dream Career' for career counselling of students where eminent counsellors shall be extending one to one counselling and guidance for the better perspective of our students.

#### International University Day (7th August 2019):

The CGDC is intended to extend motivation and direction to BMU students for international academic options. Hence, for the students, International University Day is being organized annually. This year August 07th has been observed at International University day at BMU Campus. Fourteen (14) International Universities from countries like Australia, France, Netherlands, UK, USA participated in the one-day event. Institutions like British Council, USIEF also visited to guide BMU students.

**List of Universities/Institutions:**

S.No.	Participating University	S. No.	Participating University	S.No.	Participating University
1	University of Bristol	6	Arizona State University	11	University of Leeds
2	Wageningen University & Research	7	Wayne State University	12	Deakin University
3	DAAD	8	Tiffin University	13	University of Liverpool
4	University of South Florida	9	Illinois Institute of Technology	14	The University of Sheffield
5	University of Groningen	10	UGA (Univ. Grenoble Alpes)	15	Aston University, Birmingham

**Other Events organized at BMU Campus**

S.No.	Event	Date
1	VLSI Workshop from Truechip	02nd Aug. 2018
2	Alibaba Hackathon	29th Sep. 2018
3	Mahindra & Mahindra Auto Qoutient Event	16th Jan. 2019
4	Leadership Talk by Mr. Emmanuel De Roquefeuil, VP & Country Director, Thales India	22nd Jan. 2019
5	Guest Lecture by Mr. Mir Raja, HR, GO-Jek	01st Mar. 2019
6	Guest Lecture by Mr. Anil Sagar, CEO, Envirocom	29th Mar. 2019

# SCHOLARSHIPS

## HARYANA DOMICILE SCHOLARSHIPS

23 students were given scholarships under Haryana domicile category during the academic year 2018-2019. The details are as follows:

S.No.	Scholarship type under Haryana domicile	No. of Students	Disbursed amount (Rs.)
1	100% Scholarship criteria	6	Rs.1885000
2	50% Scholarship criteria	9	Rs.1147500
3	25% Scholarship criteria	8	Rs.475000
Total scholarship amount			Rs.3507500

Apart from this, we had also disbursed the amount of Rs. 88,231,875 between 610 students as BMU scholarships during the academic year 2018-2019.

## FOUNDER`S DAY

In honor of our Founder- Dr Brijmohan Lall Munjal Ji, we celebrate Founder`s Day. On this occasion, the E2/ Hamari Pari Scholarships to students and Achiever`s Award to Faculty, Staff and Students were given by the Hero MotoCorp.

## HAMARI PARI SCHOLARSHIP

1. The Hamari pari Scholarships is to encourage meritorious girl students from economically disadvantaged families to study professional areas such as engineering, commerce and management.
2. Provide scholarships to underprivileged but academically bright girls to study at BML Munjal University under this scheme as we would specifically like to attract more and more girl students to study engineering and management, to help them in their holistic development and to empower the women of tomorrow through quality education.

S. No.	Year	Student Name	Programme	Branch

### INDEPENDENT AUDITOR'S REPORT

To the Trustees of **BML Munjal University**

#### Opinion

We have audited the financial statements of **BML Munjal University**, which comprise the Balance Sheet as at March 31<sup>st</sup> 2019, the Income and Expenditure account and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the entity as at March 31, 2019, of its financial performance and its cash flows for the year then ended in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI).

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the entity in accordance with the Code of Ethics issued by ICAI and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of Management and Those Charged with Governance for the financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the entity in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

---

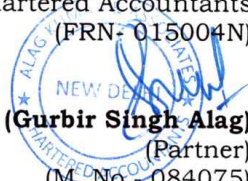

Those charged with governance are responsible for overseeing the entity's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is attached as Annexure 1. This description forms part of our auditor's report.

## BML MUNJAL UNIVERSITY

Schedules forming part of the financial statements for the year ended March 31, 2019

### SCHEDULE – 23

#### **Significant accounting policies and notes to the financial statements**

##### **A. SIGNIFICANT ACCOUNTING POLICIES**

###### **1. Organization and nature of operations**

BML Munjal University is a private, not for profit institution of higher education set up under license from Haryana Private Universities Act 2006, on 2<sup>nd</sup> May 2014, vide Gazette Notification No. 24/2014. The university includes the School of Engineering and School of Commerce offering courses for both undergraduate and post graduation.

The University is registered under section 12AA of the Income tax Act, 1961 (the 'Act') as a Charitable Body carrying out educational activity.

###### **2. Basis of preparation**

The financial statements are prepared under the historical cost convention, on accrual basis of accounting in accordance with the generally accepted accounting principles in India, and the Indian Accounting Standards as applicable.

###### **3. Funds**

The University has received donation of INR 5,000,000 towards corpus fund during the financial year.

The University reports funds as restricted if they are received with donor stipulations that limit the use of the fund. Accordingly the grants received for research and related activities are reported as Project Funds in the financial statements. The University during the year has received "Project Funds – Hero Group" of INR 114,706,069.

Donations received in the form of fixed assets are recognized in the books as Designated Funds at the cost incurred by the donor in creating/acquiring these assets.

Donations received towards scholarship for meritorious and economically weaker students are recognized in the books as Restricted Funds. Scholarship awarded during the year is appropriated from this fund to the extent available.

---

---

## BML MUNJAL UNIVERSITY

Schedules forming part of the financial statements for the year ended March 31, 2019

### SCHEDULE – 23

#### 4. Fixed assets, Depreciation and Impairment

##### **Tangible assets**

Fixed assets are stated at cost or revalued amount less accumulated depreciation and impairment losses. Cost comprises the purchase price and any attributable costs of bringing the assets to their working condition for their intended use.

Land & Building provided by Sponsoring Body M/s BML Educorp Services for the benefit of BML Munjal University is not recorded in the financial statements. The University has the right to use of land and building being owned by the Sponsoring Body.

##### **Intangible assets**

Computer software which is not an integral part of the related hardware is classified as an intangible asset.

##### **Depreciation**

Depreciation and amortization on fixed assets is provided as per the provisions/rates prescribed under section 32 of Income Tax Act, 1961.

Depreciation on the assets received as donation is appropriated out of the related Designated Funds at the end of each reporting period.

##### **Impairment**

The University assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the University estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the income and expenditure account. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

②

---

---

## BML MUNJAL UNIVERSITY

Schedules forming part of the financial statements for the year ended March 31, 2019

### SCHEDULE – 23

#### 5. Capital work in progress

Capital work in progress includes advances paid to acquire fixed assets and the cost of fixed assets that are not ready for the intended use as at the Balance Sheet date.

#### 6. Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments, if any, are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost.

#### 7. Liabilities

Long term liabilities on account of security deposit is being reported as "Current Liabilities" in the financial statements. Other liabilities are reported as "current" and "non-current" depending on the short term or long term nature of the liability.

#### 8. Revenue recognition

##### Student Fee

Income from fees received from students is recognized over the period of instruction.

##### Admission fee

Income from non - refundable admission fees received from the students is recognized as income in the year of receipt

##### Food and Room Charges

Charges for food and room received from students are recognized over the period of instruction.

##### Donation

Income from donation is recognized on cash basis.

②

---

---

Schedules forming part of the financial statements for the year ended March 31, 2019

SCHEDULE – 23

**Investment Income**

Interest income from investment is recognized on a time proportion basis taking into account amount outstanding and the rate applicable. Profit/loss on sale of investments is computed with reference to their actual cost.

**9. Retirement Benefits**

Expenses and liabilities in respect of employee benefits are recorded in accordance with Accounting Standard 15 Employee Benefits (Revised 2005).

**a) Provident fund**

All the employees are entitled to receive benefits under the provident fund, which is a defined contribution plan, in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952. Both, the employee and the employer make monthly contributions to the plan at a predetermined rate of the employees' basic salary. The Company has no further obligations under the plan beyond its monthly contributions. These contributions are made to the Regional Provident Fund Commissioner.

**b) Gratuity**

Gratuity is a post employment defined benefit plan. The liability recognized in respect of gratuity is the present value of the defined benefit obligation at the balance sheet date less the fair value of plan assets, together with adjustments for unrecognized actuarial gains or losses and past service costs. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to the profit and loss account in the year in which such gains or losses arise.

The University contributes Funds to the approved Employee Gratuity Trust for the sole purpose of provision of a gratuity to its employees. The University contribution to the Trust Funds as envisaged under Part C of the Fourth Schedule of the Income Tax Act, 1961 is as per the independent actuarial valuation of gratuity liability.

2

---

---

**BML MUNJAL UNIVERSITY**

Schedules forming part of the financial statements for the year ended March 31, 2019

**SCHEDULE – 23**

**c) Compensated absence**

The University measures and recognizes the liability in respect of the expected cost of accumulating compensated absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the balance sheet date.

**10. Provisions & Contingent liabilities**

The University creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. Disclosure for a contingent liability is made when there is a present obligation that may, but probably will not, require an outflow of resources. Disclosure is also made in respect of a present obligation as a result of past event that probably requires an outflow of resource, where it is not possible to make a reliable estimate of the outflow. Where there is a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

**11. Borrowing Costs**

Borrowing costs directly attributable to the acquisition and construction of qualifying assets are added to the cost upto the date when such assets are ready for their intended use. The other borrowing costs are recognized as expense in the period in which these are incurred.

**12. Foreign Exchange Transactions**

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction. At the year-end, monetary items denominated in foreign currencies are converted into rupee equivalent at the year-end exchange rates. All exchange differences arising on settlement/conversion of foreign currency transactions are recorded in the Income & Expenditure account.
