A HERO GROUP INITIATIVE

BA LLB (Hons) BBA LLB (Hons)

**Five-year Integrated Courses
at BML Munjal University (BMU)**

The School of Law (SOL) offers integrated courses that are interdisciplinary in nature and combine social sciences and management degrees with a degree in law.

Practice-oriented clinics and internships are an integral part of these programmes. Our students approach law not merely as an academic subject to be mastered but as future practitioners who must learn the skills of the profession.

Academic Approach

Integrated courses are interdisciplinary in nature and combine social sciences or management degrees with a law degree in a meaningful way.

- *The BA LLB (Hons) programme explores law through the prism of history, political science, sociology, with Economics as a Major.*
- *The BBA LLB (Hons) explores the intersection of law and business.*

The first two years of the programme combine core courses in law with social science or business administration subjects; the subsequent three years are law focused.
