BML MUNJAL UNIVERSITY

Schedules forming part of the financial statements for the year ended March 31, 2022

Significant accounting policies and notes to the financial statements

A. SIGNIFICANT ACCOUNTING POLICIES

1. Organization and nature of operations

BML Munjal University is a private, not for profit institution of higher education set up under license from Haryana Private Universities Act 2006, on 2nd May 2014, vide Gazette Notification No. 24/2014. The university includes the School of Engineering and School of Commerce offering courses for both undergraduate and post graduation.

The University is registered under section 12AA of the Income tax Act, 1961 (the 'Act') as a Charitable Body carrying out educational activity.

2. Basis of preparation

The financial statements are prepared under the historical cost convention, on accrual basis of accounting in accordance with the generally accepted accounting principles in India, and the Indian Accounting Standards as applicable.

3. Funds

The University has not received donation for corpus fund during the financial year. During the previous year, The University has received donation of INR 21,50,00,000/- towards corpus fund and the interest to be used for scholarship of poor student.

The University reports funds as restricted if they are received with donor stipulations that limit the use of the fund. Accordingly the grants received for research and related activities are reported as Project Funds in the financial statements.

Donations received in the form of Property, Plant & Equipment is are recognized in the books as Designated Funds at the cost incurred by the donor in creating/acquiring these assets.

4. Property, Plant & Equipment, Depreciation and Impairment

Tangible assets

Property, Plant & Equipment are stated at cost or revalued amount less accumulated depreciation and impairment losses. Cost comprises the purchase price and any attributable costs of bringing the assets to their working condition for their intended use.

Land & Building provided by Sponsoring Body M/s BML Educorp Services for the benefit of BML Munjal University is not recorded in the financial statements. The University has the right to use of land and building being owned by the Sponsoring Body.

Intangible assets

Computer software which is not an integral part of the related hardware is classified as an intangible asset.

Depreciation

Depreciation and amortization on Property, Plant & Equipment is provided as per the provisions/rates prescribed under section 32 of Income Tax Act, 1961.

Depreciation on the assets received as donation is appropriated out of the related Designated Funds at the end of each reporting period.

Impairment

The University assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the University estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the income and expenditure account. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

5. Capital work in progress

Expenditure incurred on construction of assets which are not ready for their intended use are carried at cost less impairment, if any, under Capital work-in-progress. The cost includes the purchase cost of materials, including import duties and non-refundable taxes and any direct attributable cost.

6. Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments, if any, are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost.

7. Liabilities

Long term liabilities on account of security deposit are being reported as "Current Liabilities" in the financial statements. Other liabilities are reported as "current" and "non-current" depending on the short term or long term nature of the liability.

8. Revenue recognition

Student Fee

Income from fees received from students is recognized over the period of instruction.

Admission fee

Income from non - refundable admission fees received from the students is recognized as income in the year of receipt

Food and Room Charges

Charges for food and room received from students are recognized over the period of instruction.

Donation

Income from donation is recognized on cash basis.

Investment Income

Interest income from investment is recognized on a time proportion basis taking into account amount outstanding and the rate applicable. Profit/loss on sale of investments is computed with reference to their actual cost.

9. Retirement Benefits

Expenses and liabilities in respect of employee benefits are recorded in accordance with Accounting Standard 15 Employee Benefits (Revised 2005).

a) Provident fund

All the employees are entitled to receive benefits under the provident fund, which is a defined contribution plan, in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952. Both, the employee and the employer make monthly contributions to the plan at a predetermined rate of the employees' basic salary. The

Company has no further obligations under the plan beyond its monthly contributions. These contributions are made to the Regional Provident Fund Commissioner.

b) Gratuity

Gratuity is a post employment defined benefit plan. The liability recognized in respect of gratuity is the present value of the defined benefit obligation at the balance sheet date less the fair value of plan assets, together with adjustments for unrecognized actuarial gains or losses and past service costs. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to the profit and loss account in the year in which such gains or losses arise.

The University contributes Funds to the approved Employee Gratuity Trust for the sole purpose of provision of a gratuity to its employees. The University contribution to the Trust Funds as envisaged under Part C of the Fourth Schedule of the Income Tax Act, 1961 is as per the independent actuarial valuation of gratuity liability.

c) Compensated absence

The University measures and recognizes the liability in respect of the expected cost of accumulating compensated absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the balance sheet date.

10. Provisions & Contingent liabilities

The University creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. Disclosure for a contingent liability is made when there is a present obligation that may, but probably will not, require an outflow of resources. Disclosure is also made in respect of a present obligation as a result of past event that probably requires an outflow of resource, where it is not possible to make a reliable estimate of the outflow. Where there is a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

11. Borrowing Costs

Borrowing costs directly attributable to the acquisition and construction of qualifying assets are added to the cost upto the date when such assets are ready for their intended use. The other borrowing costs are recognized as expense in the period in which these are incurred.
